CUBBING PROGRAM OF SCOUTS STARTED

The Cubbing program of the Boy Scouts of America got under way in Roseburg yesterday when 20 parents of boys 9, 10 and 11 years of age met at the Episcopal church parsonage at the call of Paul Goddes, chairman of Cubbing for Wallamet area council. Ron Doman, field scout executive for the area, met with the group and explained the younger boy program and the organization necessary for putting it into effect. Roy Perry Smith is heading the local committee to organize the boys into dens and a pack. He is being assisted by F. A. Hurd and J. P. Motzenbacher.

Arrangements have been made to meet with neighborhood groups to organize dens and get them started on the program. Cubbing is a home-centered activity with fathers, mothers and older Boy Scouts assuming the leadership in each neighborhood. Cubbing also will be treated as a part of the Scoutmaster Training conference to be held Monday evening at the Umpqua hotel, with Irving P. Beeley, scout executive of Medford, directing this phase of the conference. Persons desiring to attend the dinner at 6:30 p. m. Monday, preceding the conference, are requested to call Roy Perry or H. A. Mellis for reservations.

SLAIN GOVERNOR'S SON TO SPEAK HERE

Thirty-two years ago this winter the world was shocked by the tragic news of the cruel murder of ex-Governor Steunenberg of Idaho. For weeks and months the headlines of the newspapers featured this tragedy and the events that followed it. Frank W. Steunenberg, the son of the martyred ex-governor, is a member of the Community Bible Association Evangelistic company. He was at home the night his father's life was taken, and Sunday night in the auditorium in Roseburg he will tell the story of that awful evening, of the capture of the assassin and many other thrilling events connected with that tragic affair. The citizens of Roseburg will have an opportunity to hear a story the like of which they could hear from no other lips in no other place in the world. The evangelistic company cordially invites the citizens of this community to hear

F. R. STILL NURSES ABSCESSED CAVITY

WASHINGTON, Nov. 19.—(AP)—President Roosevelt's jaw, one of his aches said today, "sticks out like a grapefruit" from the tooth infection that has kept him confined four days.

The chief executive remained in the white house again today. Dr. Ross T. McIntire, white house physician, said his patient was "feeling fine" and that the fever practically had subsided.

He added, however, it would take two or three days to clear up the abscess in the socket from which Mr. Roosevelt's tooth was pulled yesterday.
