## ELGAROSE COMFORT CLUB HAS CHRISTMAS PARTY ON THURSDAY

MELBOSE, Dec. 21.—Mrs. George Sunberg and Mrs. Stanley Sjogren were very charming hostesses Thursday evening when they entertained the Elgarose Comfort club at the home of the former.

Christmas decorations were used throughout the rooms and a beautiful decorated Christmas tree completed the decorations for the occasion. After a short business meeting was held a program of readings was enjoyed and several Christmas carols were sung by the group.

Mrs. Daisy Ward won the club prize, Mrs. Holmquist and Mrs. Ella Johnson announced they would entertain the club in January at the home of the former.

At the close of the meeting Christmas gifts were exchanged, followed by a social hour of visiting. Delicious refreshments were served by Mrs. Sunberg and Mrs. Sjogren to Mrs. C. E. ## P. T. A. HAS INTERESTING MEETING AT GLIDE THURSDAY

GLIDE, Dec. 21.—"Peace" was the theme of the Glide Parent-Teacher association's December meeting, held Thursday evening in the school auditorium with Mrs. Guy R. Moore, president, in charge.

Included in the group's business session were a number of committee reports, notable among which were those of the objective committee, Fred Asam, chairman, and the hot lunch committee, Mrs. John Robinson, chairman.

Two local objectives of the association are bearing fulfillment in the construction of a play shed, now under way, and the announcement of a project to be taken up in high school for planning beautification of the school grounds. With students working out designs for planting the grounds in native trees and shrubbery, it is expected that much public interest will be aroused in the long-needed landscaping program and that some of the actual planting will be accomplished this winter.

Hot lunch funds this year exceeded those used last year, Mrs. Robinson reported, and indications are that this project will go off even more successfully than in the past. Local women are donating their services in the preparation of a hot dish each noon at school, and the menu routine is the same as formerly. Five gallons of milk are needed each Wednesday for cocoa, and it is requested that anyone wishing to give or sell milk on that day contact the committee.

Measures from state and national presidents were read, and the evening was concluded with a short program on "Peace." Bible readings on the subject were given by various members, and the group sang the song, "Peace, Wonderful Peace." Mrs. Paul Caswell and Mrs. Claude Talcott sang a duet on the same theme, accompanied by Miss Helen Weibull. For this number small Darlene Livingston portrayed the zoddess of peace on the stage.
