Leaders in the northern and central divisions of the Douglas County B league basketball race were fairly well established as the teams finished the first round of county games, but in the southern and coastal divisions the latest reports show ties in leadership for each.

In the northern division, Oakland high school has things pretty well its own way by virtue of a victory last Friday over Drain. The win gave them undisputed leadership with 3 games won and no losses at the end of the first round. Wilbur has a comfortable lead in the central division, posting 3 wins without a loss. Myrtle Creek, by turning the tables on Riddle high school last week, moved into a tie with Riddle for first place in the southern division. Gardiner and Elkton are tied in the coastal division with one win each, but due to the fact that last week's results have not been reported, latest standings cannot be given.

Drain, Camas Valley, Days Creek and either Reedsport or Smith River are the teams in second place at this stage of the race. Oakland will probably run into a lot of trouble during the second half of the race with Drain and Sutherland. Wilbur should not have any more trouble controlling the second round that she had in the first. Myrtle Creek and Riddle are making a "dog-fight" out of the southern division race. It's anybody's race over on the coast with Gardiner having the edge.

Oakland high school nosed out Drain 27 to 26, in one of the most thrilling contests ever played on a high school floor. After a rousing first half, both teams came back to play brilliant ball the final two periods. Stearns was high-point man for the winners with 9, but Geraldine and Moorman of Drain shared scoring honors for the evening with 10 points.

In the preliminary, the Drain girls' volleyball team won a close game from Oakland, 20 to 24, after being down 15 to 19 at halftime.

Clicking for the first time this season, Sutherland high school found little opposition from Yoncalla, defeating them 42 to 14, in a fast rough game, to take their first division win for the season.

Yoncalla did some fancy ball-handling, but was out-countered with the hoop consistently. Brown and Allen led the Sutherland attack with 13, 17 and 10 points respectively. Coomer and Turpin with 6 points each shared scoring honors for Yoncalla.

Yoncalla girls' volleyball team salvaged something from the disastrous evening by defeating Sutherland 16 to 12. Yoncalla took an early lead and held it throughout the game.

Playing before one of the largest crowds in years, Camas Valley moved into second position in the central division race by defeating Lookingglass, 24 to 21. The game was played at high speed throughout, but raged passing and poor shooting kept the score down. Camas Valley led 13 to 11 at halftime. Murray of Camas Valley led both teams in scoring for the evening with 16 tallies. Maddox and Buell were high for Lookingglass with 8 and 7 points, respectively.

In a double preliminary, the Camas Valley girls' volleyball team defeated Lookingglass, 31 to 21, in the opening game; the Camas juniors then played Tennille juniors in basketball and won, 27 to 16.
