Failure of schools in the south-

ern and coast divisions of the

league conference to report scores

of games played the week of January

21 and 22 makes it impossible to

give an accurate standings of the

schools as a whole. However, com-

plete results of the northern and

central divisions are in and the

standings as given are complete

according to a survey of leadership

in the northern division and no

change in the central division.

Coach Cliff Hooper of Suther-

land high school, who led the big-

gest upset of the season to date

when they defeated the highly-fav-

ored Oakland high school team,

25 to 23, in an overtime game. This

win threw the race in the north-

ern division into a tie once again

with Drain sharing honors on the

top rung with Oakland, by virtue

of its easy victory over Yoncalla.

Wilbur Going Strong

In the central division Wilbur

high school continues to have things

their own way, scoring their fourth

win in succession, this time over

Canby Valley. Coach Webster's

hoopsters should have little trouble

winning the division flag if they

continue their present pace, and

on their past record should be

an outstanding favorite to win the

county tournament.

For some unaccountable reason,

scores of all games in both the

southern and coast divisions, ex-

cept one, the Riddle-Myrtle Creek

contest of January 21, have not

been reported for the past two

weeks. The official standings of

the clubs in those two divisions

cannot be published until all past

scores are reported.

Looking Through Window Rock at Navajo Capital

There are only 200 persons living in the tiny city of Window Rock, which may be seen through this towering rock sentinel for which the town was named. But it is the capital of the vast 15,000,000-acre Navajo reservation in New Mexico and Arizona on which 50,000 Indians live. The reservation's administration buildings are in Window Rock, with Indians holding 94 per cent of the official jobs under which education, health, farming, relief, tribal affairs or jobs are administered. The scenicly beautiful community is in New Mexico, but less than a stone's throw from the Arizona state line. Window Rock itself rises 400 feet off the plains and is of rare and changing color formations.

throw for 29 points. Tied in the highest scoring game played by a team player in the past six years, Torgun of Yoncalla was the outstanding man for the league, scoring 16 points.

The Yoncalla girls' volleyball team continued their march to ward another county championship by winning 25 to 17, in an easy game. During an upset the Yoncalla team should expect again this year if they maintain the pace they are going now. Edna and Maud turned in fine games.

TEX OLIVER SIGNS U. OF O. CONTRACT

SAN FRANCISCO, Feb. 1.—(AP)—Tex Oliver, whose University of Arizona football team trounced University of Oregon last December, found himself the Webfoots' new coach today.

The strategist signed a three-year contract in San Francisco yesterday after a short conference with Anson H. Cornell, Oregon's graduate manager. He replaces Frank Callison, who resigned after the 1937 season.

Oliver's salary was not disclosed but it was understood it was more than the \$6,000 figure hazarded several days ago when authorities of the Eugene school announced they had rejected Oliver's contract.

The new coach will take up his new duties around March 1.
