

INDIANS TO PLAY MARSHFIELD FIVE

Return Game of Hoopsters Dated on Home Floor of Coos Foes Friday.

W. L. Pct. For Aget	
North Bend	3 0 1.000 83 59
Myrtle Point	2 1 .666 84 69
Roseburg	2 2 .500 109 93
Coquille	1 2 .333 69 93
Marshfield	0 2 .000 31 61

Results Last Week
Roseburg 24, Marshfield 7.
Myrtle Point 34, Coquille 25.

Games This Week
Roseburg at Marshfield.

Roseburg high school's easy win over Marshfield last Friday night boosted them into third place with a .500 per cent rating in the race for the basketball championship of district No. 8. North Bend, by virtue of its bye last week, remains in first position with 3 wins and no losses, followed by Myrtle Point which moved into undisturbed second place in the standings by taking a 34-to-29 fall out of Coquille. The Red Devils' loss dropped them from a tie for second into fourth position, just a step ahead of the luckless Marshfield Pirates, who dropped their third straight game to remain alone in the cellar.

Both games played last week ran true to form, with Roseburg having little difficulty with a ragged Marshfield quintet, and Myrtle Point running rough-shod over Coach Hal Hatton's cagers, their third loss this season to the Bobcats counting county and league games. Coach Watts' Indians hung up a new defensive record for this season by holding the Pirates to two field goals and three gift tosses for a total of seven points, one basket coming in the first period and their second and final 2 points in the last quarter.

It is a bit difficult to understand how the Coquille Red Devils lost by such a large score to Myrtle Point, judging from the calibre of ball played here the night they defeated the local cagers. After seeing every team in the league in action, Coquille appeared to be the class of the outfit with a well-balanced quintet of lanky hoopsters all lettermen, led by two ace performers, Bailey and Fuhrman. Evidently Coach Hal Hatton's lads wanted the Indian game, playing well over their heads.

Roseburg is the first team in the league to score over 100 points, with the 24 points scored in the Marshfield game, giving them 109, but have played one more game than have the other members of the district. The Indians' offensive average so far comes to 27.2 points per game, which is exceeded by both Myrtle Point with 28 points per game, and North Bend's 27.5 points per tilt, followed by Marshfield, Coquille's average is 23 points per tilt, followed by Marshfield, with 11 points per game, a good and sufficient reason why they are now resting at the bottom of the heap.

Defensively, North Bend leads at present with only an average of 19.7 points being scored against them in three games, Marshfield ranks second in this department with an average of 21.2, closely followed by Myrtle Point with an average of 23 points per contest, and by Roseburg, a fraction worse, at 23.2, in four games. Coquille appears to be the weakest defensive by allowing an average of 31 points to be scored against them in three games.

Return Game Dated
Coach Jim Watts' Indian hoopsters return to Coos Bay for their second league game away from the local ropes when they visit Marshfield next Friday night for the second engagement between the two quintets in two weeks. If the local warriors play the same brand of ball as played last Friday night, little difficulty should be encountered in the hands of the Pirate in annexing their district win of the season. Marshfield, however, will be a vastly improved team playing on their own floor. The return of their coach, Al Landes, and several first string players, all of whom have been ill the past two weeks, should aid a great deal in strengthening the Pirate five, materially and psychologically.

GRID STAR GOING TO NORTHWESTERN

CHICAGO, Feb. 2.—(AP)—Bill De Corvo, America's outstanding prep gridiron star, decided today to enroll at Northwestern university next fall.

De Corvo, in a statement said he wished to play at a school near his home, and that was his reason for selecting Northwestern. Besides, two or three teammates on the Austin high school at which he was a star, also have planned to enter Northwestern.

De Corvo, 19 years old, will enter Northwestern with the most sensational record ever achieved

WILBUR HOOPSTERS BEAT ELKTON, 28-8

The Wilbur basketball team put the 14th game in the win column, against 5 defeats, by trouncing the visiting Elkton boys 28-8 Tuesday night in a non-conference game. It looked like a slaughter in the first quarter, when Wilbur led 10-0, but the Elkton defense tightened and the half ended 12-6, and it was only 16-4 at the three-quarter mark. The local team really went to town in the last quarter, scoring 12 points and holding their opponents to a single field goal, Sayers and Short were the hotshots for Wilbur, scoring 14 and 10 points respectively.

In a preliminary game, the Elkton girls defeated the Wilbur girls 22-20 in an exciting game.

Basketball summary:

Wilbur (28)	(8) Elkton
Wyatt (2)	F (4) Ferrill
Sayers (14)	F (2) Andrews
Short (10)	G (2) Morganti
Pearson	C (2) Mode
Woody (2)	G (2) Griffith
	Haines
	Anderson

Referee—Marshall Penner.
Wilbur teams play Friday at a conference game this Friday at Wilbur.

HAPPY RELIEF FROM PAINFUL BACKACHE

Caused by Tired Kidneys
Many of those gnawing, nagging, painful backaches people blame on colds or strains are often caused by tired kidneys—and may be relieved when treated in the right way.

The kidneys are Nature's chief way of taking excess acids and poisonous wastes out of the blood. Most people live about 3 pints a day of about 3 pints of waste.

If 12 1/2 ounces of kidney, toxin and filter don't work, poisonous wastes collect in the blood. These wastes may start nagging backache, rheumatic pain, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headache and dizziness.

Don't wait! Ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 million of kidney toxics that are poisoning waste from the blood. Get Doan's Pills.

BRUBAKER KAYOES ERJAVEC IN THIRD

OAKLAND, Calif., Feb. 3.—(AP)—Phil Brubaker of Duuba, Calif., marked a three-round technical knockout of Johnny Erjavec, Duuba, Minn., into his "comeback" second today and aimed his sights on new heavyweights to conquer.

The young, former Bible student, who a year ago reeked up the fistie ladder but bounced down just as fast when he met Jack Sharkey in Boston, floored the veteran Erjavec twice in the second round and twice in the third before the referee stopped the scheduled ten-round match.

Brubaker hit his opponent so hard in the second round he burst a glove, and the intermission period between rounds was extended three minutes while he obtained a new one.

Brubaker weighed 203 pounds and Erjavec 182.

EXTRA LIGHTS AID INDOOR TOMATOES

Just as artificial light has been found to increase the production of laying hens during short winter days, so can it be used to stimulate growth of fruit on tomato vines grown in greenhouses, according to a report just made by A. G. B. Bouquet, horticulturist in charge of vegetable crops at O.S.C., in a new extension circular entitled, "Greenhouse Vegetables—Tomatoes."

"Where plants were given the extra illumination, the number of fruits set per cluster was markedly higher than those which were unilluminated, but whether the cost of the illumination and its equipment would be equal to or greater than the value of the increased yield of

Bones of Prehistoric Animal Found in Mine

MYRTLE CREEK, Feb. 3.—Tasks, a part of a jawbone and a tooth, presumably from some prehistoric animal, were found recently by Royal Diekmann while working his placer mine on Lees creek.

The bones have been placed on display at the Myrtle Creek drug store.

The weight of the molar is 23 pounds and it is 15 inches in circumference. It is badly discolored.

EX-LABOR SPY TO SPEAK OVER KRNR

A mysterious figure, GT-99, a retired labor spy, whose identity will not be revealed even to the radio studio where he is to speak, will be heard over the Mutual network and station KRNR from 7 to 7:30 p. m., Friday, Feb. 4. GT-99, who claims to know more about American labor conditions than any other man alive, will broadcast from behind a screen in order to prevent his identity from becoming known. He will comment on recent AFL-CIO disputes.

GT-99 took up the profession of a labor spy 20 years ago. Author of a book entitled, "Labor Spy," he recently retired from his profession and is living in retirement in Canada.

His unique radio broadcast will be entitled, "Twenty Years Ago and Today."

CLEAN STOCK BEST BERRY INSURANCE

Avoiding the dwarf disease of loganberries in western Oregon fields depends primarily on using plants from stock not affected by this virus trouble, and through being sure that loganberries are not planted near phenomenal berries, which are quite generally subject to the disease, says Dr. S. M. Zeller, plant pathologist, Oregon State college, in a brief station circular of information entitled, "Dwarf Disease of Loganberries."

Where the disease shows less than 5 per cent, it is practical and advisable to rogue out the affect-

CAPTAIN OF CAGE TEAM SUSPENDED

Boudreau of Illinois Found Under Agreement With Pro Baseball Club.

By CHARLES DUNKLEY
CHICAGO, Feb. 3.—(AP)—Revelation that Louis Boudreau, University of Illinois basketball captain, had been suspended from athletics for verbally agreeing to sign with the Cleveland baseball club and for permitting the club to send \$100 monthly checks to his mother, struck western conference athletic officials like a bombshell today.

The suspension prompted John L. Grith, commissioner of athletics of the conference, to make a sharply worded protest against the league club "enticing" college players before their graduation, and led other big ten officials to speculate as to the existence of similar cases.

Boudreau's ineligibility ruling by the western conference faculty committee stunned the Illinois campus at Champaign. The ruling, however, provided that he might be reinstated next fall provided he severs connection with professional athletics. Boudreau was reported to have directed the Cleveland club to stop remitting money to his mother who lives in Harvey, Ill. Being a junior, he has another year of competition.

Stars in Sport
The 20-year-old athlete professed not knowing he was violating any conference rule and declared the committee's ruling was a shock to him. As a forward, Boudreau played a stellar role in helping the Illini gain a tie with Minnesota for the conference championship last year. He scored 44 points this year to be tied for ninth place among big ten sharpshooters. In his first year on the team he was chosen on numerous all-conference squads.

In baseball, Boudreau was rated as a sparkling third baseman, a natural hitter, and a strong factor in Illinois' drive to the Big Ten championship.

WHIZZER WHITE GETS CASH OFFER

BOULDER, Colo., Feb. 3.—(AP)—Byron (Whizzer) White, Colo-

rado's all-America gridder, said today "I haven't made up my mind yet" about an offer to play professional football with Pittsburgh for \$15,000.

"I'm still considering it," White said.

If White decides to sign a contract, it will mean the loss of the Rhodes scholarship he won in December.
