VANDALS, COUGARS CONTINUE IN TIE

Conference Leaders Down Opponents and Approach Titular Battle. (By the Associated Press). The University of Idaho's Vandals, who became the northern division Pacific coast conference giant killers within the past two weeks, have a giant killing task ahead of them this week in their drive for the basketball crown.

The Vandals, tied with Washington State for the league leadership, meet the Oregon Webfooters tomorrow night and Wednesday night in Eugene, then close their season with games against Washington State next Saturday night at Pullman and February 28 at Moscow.

Oregon, knocked out of the league leadership a week ago by the Vandals, will be out for revenge in the series on their home floor.

The Vandals remained in the title picture Saturday night by defeating Oregon State college 29-27, while Washington State was beating Montana university 63-40. Idaho has won ten out of its last 11 games.

Kramer Goes On Rampage. Chief Vandal Kramer beat off a determined attack by Oregon State. He damaged Beaver hopes of vengeance for Friday night's defeat in the last minute of the first half when he scored twice, once a long overhead shot from the center of the floor, to give Idaho a 14-11 lead at half time.

Kramer went on another rampage in the second half after the Beavers had piled up an impressive lead, and helped the invaders gain the front again with three baskets in succession.

Captain Harris led the Oregon State attack with 12 points, 18 scored in the first half. Washington State stayed on top, rallying after a slow start to defeat Montana.

The Cougars trailed, 12 to 6, early in the game, called time out, and rapidly overhauled the Grizzlies who lost accuracy as the visitors gained. Washington State led, 26-15, at the half.

Al Hooper and "Corky" Carlson led the Cougar attack, backed by accurate shooting by Jennings in the second half. Ryan and Miller scored most for Montana.

NORTH BEND CAGERS WIN DISTRICT TITLE

Season's Record Unmarred by Defeat; Indiana Have Chance for Third. District No. 3 Standings

Table with columns: District No., W, L, Pct., For, Agt. North Bend 7, 0, 1.00, 197, 141. Myrtle Point 5, 3, .625, 206, 183. Roseburg 3, 4, .429, 187, 172. Coquille 3, 4, .429, 184, 158. Marshfield 0, 7, .000, 77, 137.

Results Last Week. Roseburg 32, Myrtle Point 35. Coquille 23, North Bend 26. Schedule February 25. Roseburg at Coquille. Marshfield at North Bend. Myrtle Point, bye.

By M. W. B. The Douglas and Coos county basketball race for the district gonfalon, emblematic of the league championship, has come to an end, even though the final week's games are yet to be played.

North Bend Bulldogs repeat again this season, taking the top honors regardless of the results of the Pirate-Bulldog encounter next Friday evening. North Bend, starting the season as the weakest-link in the league with only one veteran back, has posted seven straight wins in the district records without a defeat, to emerge the "surprise team" of the conference.

Pirates in Cellar. Myrtle Point, thought to be the "team to beat," according to all pre-season dope, has dropped three tilts as against five wins, to end their season in second place. Third place will be determined in a "dog fight" next Friday night at Coquille when Roseburg journeys to the Coos county seat for the final game for both teams.

Present standings show the Indians and the Red Devils tied for third place with 3 wins and 4 losses. Which-ever team wins the final game will end the season with a 5-0 record in a non-conference and final home game of the year. Tuesday evening at senior high. This will be the last opportunity for the local fans to see several members of the warrior quintet in action. Lael Campbell, center; Ray Morgan, forward; Pete Rutter, guard, all lettermen, and Bud Neal, transfer guard, and Bill Jones, reserve center, will play their last home game for Roseburg against Cottage Grove.

Although the Lions have had only a fair season to date — two wins and six losses — they boast an outstanding scoring threat in LeRoy Cooper, tall center, who up to last Friday's game with Union City high in which they lost 41 to 25, led district No. 7 scoring race with 173 points in seven games. The Indians should be hard-pressed to squeeze out a victory. Indian reserves will probably see most of the action, for Coach Watts plans on giving his regulars a much needed rest before the district tournament.

PAPOOSE HOOPSTERS GET 28-16 REVENGE

Sixth Straight Victory at Home Registered, With St. Mary's as Victim. By M. W. B. Blanking a hard driving but poor shooting St. Mary's high school basketball team from Medford for two out of four periods, Roseburg junior high school swept to an easy 28-to-16 victory Saturday night on the local court in the final home contest for the season.

It was the sixth straight win on home floor, the Papoose cagers ending the season with an unblemished record of not having lost a hoop tilt in their own town.

Once again it was lanky Earl Ward, 6 feet 2 inch Papoose forward, who provided all the offensive fireworks, scoring 18 points to take high point honors for the evening, but it was the combined defensive efforts of the entire team which proved to be the outstanding feature of the evening.

Close checking by "Moose" Egan, 6 feet 4 inch center, and a gift shot by Finlay in the first period gave the Indian babes a 12-to-0 lead from which the Crusaders never recovered. Roseburg led 18 to 7 at half time and 23 to 7 going into the final period. Midway in the fourth canto, Coach Hod Turner replaced his entire team with reserves and though the Papoose replacements failed to score while St. Mary's was ratcheting up seven points, it was too late to add the Crusader cause.

The score might have been a great deal more had Jim Finlay been able to sink a half-dozen lay-ins which he made for himself, then missed. It was one of those nights when the ball just wouldn't go through the elusive hoop, while the night before he sank six agalut. Three gift shots was all that Finlay could garner for himself. St. Mary's although he led the team's defensive play. Denton took second place to Ward with 7 points. Jensen, Crusader forward, was high for the visitors with 6 points. G. Glitzen and Estes, St. Mary's guards, played outstanding ball, but like their teammates, had difficulty in locating the basket.

The tight Papoose defense which kept St. Mary's away from the basket resulted in forcing the Crusaders to attempt many long howlers, most of which fell short or went wild. Estes sank their first field goal about 11 minutes after the second period started for the first Crusader points, and it was mid-way through the final quarter before Jensen sank two gift shots for their first points in the second half.

The St. Mary's B squad made it two in a row over the Papoose reserves when they defeated Roseburg 21 to 15 in a fast preliminary. Roseburg had previously been defeated at Medford 16 to 13. The opening game was close throughout with Lewis, forward, giving St. Mary's a 6-point lead on three quick baskets after the opening whistle before Roseburg scored. St. Mary's led 8 to 8 at the end of the first period, 11 to 10 at half time, and 13 to 12 at the three-quarter mark.

Ability of the Papoose replacements to sink free throws spelled defeat, only one out of 14 attempts fell through the hoop. Hiney, Slatery and Shrum were outstanding for Roseburg. Lewis, O'Neill and B. Sakraida turned in fine games for St. Mary's.
