VETERAN'S VICTORY UPSETS RING FANS

Losers Hold Own in Last Two Rounds; Manager Cries Robbery.

SAN FRANCISCO, Feb. 23.—(AP)—San Francisco's biggest boxing upset in many years today left young Corbett, veteran Fresno southpaw, a 19-round victor over Fred Apostoli, uncrowned middleweight king who was a 2½ to 1 favorite to wallop his aging conqueror.

Corbett, who won and lost the world's welterweight title before Apostoli started professional fighting, took five rounds of yesterday's outdoor battle, Apostoli battered his way to a pair, and three were even.

The Fresnoan, his right eye closed and his mouth and nose battered, appeared nearing the end of his resistance at the end of a punishing tenth round when Referee Toby Irwin awarded him the decision.

Apostoli, nine years younger than Corbett and recent winner over Middleweight Champion Freddie Steele, was virtually unscathed by the leather barrage in which he took the seventh and eighth rounds with jolting head punches.

Corbett Gets Early Lead
Corbett, who at 33 has had 17 years of ring experience, presented a left-handed offense that Apostoli, former welterweight, could not master, and won the first five rounds.

Apostoli, former national amateur middleweight champion, found the range with punishing blows in the seventh and eighth when most of the damage was done to Corbett's face.

The sixth, ninth and tenth rounds were even, and both fighters were slugging furiously at the final bell in a closing rush that had the spectators standing on their feet cheering.

Corbett (Ralph Giordano) considered his victory over his fellow Italian the first step in an attempted comeback as a middleweight. He weighed 160 pounds to 155½ for Apostoli.

Apostoli's Boss Walks
"He was robbed," Larry White, Apostoli's manager, exclaimed after the fight. "We gave Corbett the fight to help the old man (Corbett) earn a few dollars and this is what happens."

"We came 3,000 miles back home to get robbed. A fine how-do-you-do in Freddie's home town."

Apostoli was glum and had nothing to say.

Corbett didn't agree with White, his former manager. Said Corbett: "I was surprised at Freddie's lack of power. Even when he pushed me against the ropes in the eighth and landed rights to the jaw, he didn't hurt me."

Myrtle Creek high school closed its regular basketball season Friday night, defeating Days Creek at Days Creek, 39 to 29, in a fast, well played game. This win also assured Myrtle Creek the southern district number 2 representative in the county tournament at Roseburg.

During the regular season Myrtle Creek played twenty-eight games of which they won eighteen and lost ten. Myrtle Creek scored a total of 854 points to her opponents' 790. This year's Myrtle Creek team is stronger offensively than their last year's championship team, but weaker defensively. In that their offensive record shows this year to be 30.5 points per game, while last year it was only 16. The last year's team had a better defensive record as opponents scored on an average of 19 points per game while this year's team has a defensive record of 25.

The games and scores played this year are as follows:

JACK ROPER BEATS CHUCK CROWELL

LOS ANGELES, Feb. 23.—(AP)—Jack Roper, veteran Los Angeles heavyweight, pasted youthful Chuck Crowell around the ring for the better part of their 10-round bout at the Olympic auditorium last night, but the best he got out of it was a draw.

Crowell, rocking Roper with a sudden attack in the last two rounds, managed to gain Referee Jack Kennedy's draw verdict, but two advisory judges awarded the

INDIANS WIN OVER COTTAGE GROVE FIVE

Last-Minute Hoops by Neal and Campbell Decide Battle, 31 to 29.

A wildly excited crowd of basketball fans last night saw the Roseburg Indians squeeze out a 31-to-29 victory over the Cottage Grove Lions in a very close and decidedly rough game in the local gymnasium.

Leading by a fairly good margin at half time, the Indians went into a third-period slump and yielded the lead to the visitors, but a hard drive in the final minutes of the game gave the Roseburg team a two-point victory.

The contest was won by the Indians by virtue of superior ability on the free throw line, as Cottage Grove had an edge in the number of field goals, hitting 13 ringers to 11 for Roseburg. The Indians, however, converted 9 out of 15 free throws, while Cottage Grove made only 5 out of 12.

Scoring was very close throughout the entire first half but Roseburg went into the rest period leading 20 to 16.

Cottage Grove came out strong in the third period and quickly tied the score at 21 and then went into the lead, only to have the Indians tie the count again at 23-all.

The period ended with Cottage Grove ahead 25 to 23.

Won in Last Minute
Both teams fought desperately in the closing minutes, resulting in numerous fouls. The visitors lost two players on personals during the final period. Roseburg stepped into the lead with only a minute to play as a result of free throw conversions by Campbell and Neal.

Cottage Grove lost a chance to tie the score in the last second of the game when McGibbons missed a set-up under the basket.

Roseburg's set plays worked smoothly in the first half permitting all members of the team to work into the basket for close shots. In the second half, however, the Lions tightened their defense and forced snap shots.

The visitors used short, snappy passes on offense, and were the cleverest ball hawkers the Indians have faced all season.

MAN, WIFE LOST IN CALIFORNIA SNOWS

Search for northwestern fans will come from San Francisco station KGO (790 on the dial), beginning at 7 p. m.

QUINCY, Calif., Feb. 22.—(AP)—Search was renewed today for Harry Ferris, 45, of Fresno, and his wife, Winona, 40, believed lost when they left their prospector's cabin after it was covered with 16 feet of snow.

A searching party reported it found a note in the snowbound cabin which indicated Ferris had started for aid several days ago, and his wife followed him Feb. 16.

"I left here about 11:20 a. m., said the note signed by Mrs. Ferris. 'Will go towards the river and pray I have strength to get to human habitation.'"

Searchers later traced Mrs. Ferris' footprints for two miles through deep snow and found her tracks vanished at the edge of a hill slide. They feared the slide might have carried her into the Feather river.

Mr. and Mrs. Ferris began prospecting operations about a year ago on Winters creek, a tributary to the middle fork of the Feather river.

Their cabin was located about 22 miles southwest of Quincy by trail, in the heart of the Sierra wilderness.

Ben Morris, who worked a claim about two miles from the Ferris' cabin and traded wood with the couple, reported he had made three attempts to learn whether they were safe after snow covered their cabin, except for the chimney.

EX-WOMAN HEAD OF WARRENTON PASSES

DELAKE, Ore., Feb. 22.—(AP)—Rose E. Barrett, 52, who rejected a \$3600 salary and served as Warrenton city manager for \$1 a year, died here today.

Mrs. Barrett, a candidate for the republican nomination as United States senator in 1936, declined the nomination in 1935 because of ill health. She accepted in 1936 but turned over her salary to an advertising and development fund.

In 1923 she was believed the first woman to receive such an appointment in city government.

BETS FAVOR LOUIS TO DEFEAT MANN

Short-Enders Given Chance Only If He Can Absorb Champ's Wallops.

By GAYLE TALBOT
NEW YORK, Feb. 23.—(AP)—Anything, or practically anything, can happen at Madison Square Garden tonight, when Joe Louis exposes his heavyweight title for a maximum of 15 rounds against Natie Mann, a rugged, resolute young fighter from Connecticut.

Mann, a good right-hand puncher, might possibly lay one on the big negro's chin and pick up the marbles. On the other hand, the betting is about 3 to 1 that the affair will run true to form, that Louis either will knock Natie kicking or slice him up like a Virginia ham.

Mann, who is about three inches under the Bomber's six feet, two inches and weighs a dozen pounds less, will carry a good record into the ring tonight. He hasn't dropped a fight in 18 months, his most notable win in that period having been a 10-round decision over Bob Pastor.

Can Mann Take It?
The record, though, won't mean much tonight. Mann essentially is a stand-up, aggressive fighter and not a fancy Dan. He isn't such a hit-and-run expert as either Pastor or Tommy Farr, each of whom gave Louis an exasperating evening.

Mann figures to get hit plenty, and everything depends upon whether he can absorb Joe's blasts and ask for more. Anybody who can do that, of course, has a chance.

There's no thought in Mann's mind, or anyone's else, that he can outbox the rangy young champion for 15 rounds. Mann's only effort in a long siege of training has been toward perfecting a terrific right to the head and under the heart. He doesn't think any fighter has given Louis' body a real testing. He's going to throw that right and hope. Schmeling did it, didn't he?
