SILVER TEA IS LOVELY AFFAIR

SUTHERLIN, Feb. 25.—About sixty people attended the George Washington silver tea on Tuesday afternoon at the Arts building, given by the Parent-Teacher club of this community. The following program, given by the students and teachers of the high school, was greatly enjoyed:

Songs: "The Voice of the Old Village Choir" and "Grandfather's Clock," by the senior boys' chorus, accompanied and directed by Miss Esther Miller at the piano.

Reading by Miss Elizabeth Aebischer.

Medley of old time favorites as played by Miss Miller.

"Unusual and little known facts in the life of Washington" as given by Cecil Riley.

Song: "Silver Threads Among the Gold," by boys' chorus.

Poem: "The Lad in the Second Row," written and read by Alvin Allen, principal of the high school.

Song: "Love's Old Sweet Song," by boys' chorus.

At the conclusion of the program, tea was served from a table carrying a patriotic color scheme of red candles flanking a bowl of violets on the white linen cloth. Mrs. Elton Dever and Mrs. Mark Jordan very graciously served at the tea table. Mrs. J. W. Culver, Sr., and Mrs. John Musgrove, who were on the refreshment committee, were assisted by several of the girls of the home economics classes. These girls had prepared several exhibits of cookery such as pies, cakes and salads which were served in samples to everyone at the conclusion of the tea. Proceeds from the tea amounted to about seven dollars which will be added to a fund for the purchase of linoleum for the domestic science rooms.

CONVENTION OF BIBLE SCHOOL HELD

MYRTLE CREEK, Feb. 25.—The first convention of the newly organized southern division of Douglas county Bible school association met at the Methodist church Tuesday, February 22, and got off to a good start with a lively and spirit-filled devotional service led by Pastor J. L. Wilson. The song leader for the day was Mrs. Wilson and the singing contributed largely to the success of the convention.

The speakers chosen for the various subjects were outstanding in presenting them. Throughout the day the interest was sustained and the only thing to receive adverse criticism was that so few local people were in attendance. The fact that this was a new venture and no one was quite sure just what it would be, probably accounted in some measure for this lack.

One feature which should receive especial mention was the unique way in which Visual teaching in the Bible school was presented by W. G. Blake. It was the story of creation by pictures. Any one seeing this should be able to remember this story for life.

Speakers for the day were Mr. Blake, Mr. Cockran, Mr. Randall, Miss Woolley, Mr. Iverson, Mr. Denham, S. Raynor Smith, Mrs. Trankle, Mr. Kenney, R. L. Dunn.
