Daily Devotions

By DR. CHAS. A. EDWARDS
Glad, free-hearted forgiveness is one of the most effective sides of our witness. We need forgiveness ourselves, without we are and must always be the fugitives and slaves of our past. We need it from God, for true release can come from none but life itself and the Author of life. We need it from our fellows, for they are a part of the life we have offended. And our fellows need it from God and from us. Jesus was ever reminding us, if we love Him, to lighten the load of guilt upon one another, to release one another from the fears and embarrassment of past wrongs. It is manlike to fall into sin. It is Godlike to forgive. God of love and mercy, who forgives us all our sins, teach us to be merciful as Thou, our Father in Heaven, art merciful. In the name of our Saviour, Jesus Christ. Amen.
