## Be Sure to State Size When Ordering Pattern.

Make This Charming Panel-Frock If You'd Look Young and Slim PATTERN 4742

If you want to look young and slender (and what matron doesn't?), then choose this charming frock of Anne Adams design. Take your choice of short flared sleeves, or a longer "capelet" version — and run up Pattern 4742 in a dainty flowered chiffon, voile, or a "spaced" synthetic print. You'll look your best at afternoon teas and parties in those graceful, modelled lines, and a soft, feminine bow to accent your becoming neckline. And here's a dress that's really easy to make, so won't it prove worth your while to spend a few hours with the easy pattern and some inexpensive material? Illustrated step-by-step sewing instructions included.

Pattern 4742 is available in women's sizes 34, 36, 38, 40, 42, 44, 46 and 48. Size 36 takes 4 1/2 yards 36 inch fabric.

Send FIFTEEN CENTS (15c) in coins or stamps (coins preferred) for this Anne Adams pattern. Write plainly: NAME, ADDRESS and STYLE NUMBER.

## Creations of Art With Needlework

## SIMPLE BUT INTRIGUING MOTIF

By RUTH ORR. PATTERN NO. 436. A few swift stitches are all that this charming motif requires. And the entire bedspread uses only the one motif, so when you have learned to complete the article speedily, it's an excellent design for innumerable uses in addition to the spread: such as chair set, luncheon cloth, runner, buffet set, dinner cloth — to mention a few. The pattern envelope contains complete, easy-to-understand, illustrated directions with diagrams to aid you; also what crochet hook, what material, and how much you will need.

To obtain this pattern, send for No. 436 and enclose 10 cents in stamps or coin (coin preferred) to cover service and postage. Address News-Review, Needlework Department, Roseburg, Ore.

## Kindness

DES MOINES, Ia.—Five shaggy little mongrels were the reason a passenger train pulled into the station several minutes late.

The engineer said the dogs started across a railroad bridge, unaware of the approaching train. He brought the train to a stop just 10 feet short of the terrified group.

Then, with the engineer urging them on with blasts from the whistle, the dogs picked their way to the other side of the bridge, wagging their tails in thanks.
