USEFUL BAG FOR YOU TO KNIT By RUTH ORR PATTERN NO. 430

It's astonishing how many avid users of the knitting needle and crochet hook have never bothered to make a work bag. But there's no excuse when a good looking bag like this can be made in a few hours. And if you're just learning to knit, this is a good design to begin on, for it's simple to make, and so useful. It's economical, too, for you can use up old bits of yarn, or buy as few as two new ones. The pattern envelope contains complete, easy-to-understand, illustrated directions; also what needles, what material, and how much you will need.

To obtain this pattern, send for No. 430 and enclose 10 cents in stamps or coin (coin preferred) to cover service and postage. Address News-Review, Pattern Department, Roseburg, Oregon.
