

CELLAR TEAM LETS THREE PLAYERS GO

Oakland Loses Ninth Game, to Portland, in Spite of Better Batting.

(By the Associated Press)
Oakland dumped an outfielder and two pitchers today and hired a shortstop as Manager Dutch Zwilling sought a winning combination for the Pacific Coast league baseball team that has lost nine of its 11 games since the season opened two weeks ago.

Pitchers Hollis Thurston and Laury Vinel and infielder Henry Martinez were given their outright releases by Zwilling, who in turn hired Eddie Montague, who played with Seattle last season.

Montague made his debut in an Acorn uniform last night, made two hits and an error while Oakland was losing its ninth game, 11 to 5, to Portland. The game was loosely played. The Oaks made four errors, Portland three. The only highlights of the contest were five double plays, including one completed unassisted by Manager Bill Sweeney of Portland at first base.

Two home runs in succession in the last of the 12th gave Los Angeles a 7 to 2 win over Seattle. In a game marked by eight errors, four by each side, San Francisco walloped last year's champion San Diego team, 14 to 7.

A game which would have brought together teams piloted by the Killifer brothers, Wade of Hollywood and Bill of Sacramento, was postponed last night by threatening weather at Sacramento. The teams will open their series tonight.

The Oaks outlit the Beavers, 13 to 12, but the Beavers bunched hits in the second inning for three runs and again in the ninth for four more scores.

Standings:

Team	W	L	Pct.
Hollywood	7	3	.700
Los Angeles	7	4	.636
Portland	7	4	.636
Seattle	5	5	.500
Sacramento	5	6	.455
San Francisco	4	7	.364
Oakland	2	9	.182

HOSTAK KNOCKS OUT PARIS IN ROUND 4

SEATTLE, April 13.—(AP)—They still pay off on the punch, so today Al Hostak, ranked by the Washington state boxing commission as the No. 1 challenger to Freddie Steele's middleweight crown, held a four-round knockout victory over Chief Paris, Omulgee, Okla., Indian.

The Oklahoman swarmed over Hostak like one of those panhandle dust storms for three rounds last night and held a lead on points until three long, straight rights sent him down for the count after a minute and eight seconds of the fourth round.

Paris was so far "out" at the count of ten, Hostak had to carry him to his corner.

It was Hostak's 12th consecutive knockout victory and his 15th since he started fighting as a middleweight. Now, Eddie Marino, Hostak's manager, is clamoring for a summer go home against either Fred Apostoli of San Francisco or Steele. Hostak weighed 157 1/2 pounds, Paris 152.

Chuck Nickason, 1793, Vancouver, B. C., outpointed Gene O'Grady, 181, Ashland, Ore., (6).

STEWART, PONCE STAGE SLOW DRAW

PORTLAND, April 13.—(AP)—Kermit Stewart, 135, Portland, and Joey Ponce, 138, Los Angeles, Calif., kept out of trouble and spared six rounds to a draw in a slow main event last night.

Both clever boxers, neither Stewart nor Ponce would mix.

A head-to-head slugfest match ended in a six-round draw for Jerome Lewis, 161, Oakland, Calif., and Jack Hubbard, 163, Klamath Falls, in the semi-final.

Dandy Peterson, 147, Portland, won a six-round decision over Al Nozak, 148, Salem, in a preliminary.

FAVORABLE FISHING SEASON FORECAST

PORTLAND, April 13.—(AP)—Matt L. Ryckman, superintendent of state fish hatcheries, predicted today that the 1938 fishing season, opening at sunrise Friday, would provide excellent fishing.

He said all coastal streams and short Willamette valley streams should be in good condition for the opening if present weather conditions continue.

Eastern Oregon rivers were unreported, but Ryckman said he understood the Deschutes was full of snow water and probably would not be good fishing.

QUINTS WON'T BE EXHIBITED AT FAIR

NEW YORK, April 12.—(AP)—Dr. Allan Roy Dufoe said today an unofficial suggestion that the Dionne quintuplets appear at the New York world's fair of 1939 had been promptly rejected by their guardians.

"Of course such a thing is impossible," said the physician who brought the world's most famous five sisters into the world. "They will not appear in any exhibition."

Dr. Dufoe, here for the purpose, among others, of laying the quintuplets Easter dresses, settled the question as to which of them is brightest.

"Yvonne," he said. "She likes to show off, too."

"Annette is the handsomest."

He reported that three children were progressing with their pre-kindergarten training, and said that when it came time for them to begin regular schooling "we will have to provide them with a private school of their own."

"They never would be able to attend a public school," he explained. "I'm afraid they would be such objects of curiosity that they would not learn."

He disclosed, too, that while the quintuplets had been told of their new baby brother, born only recently, and had "expressed delight," they hadn't seen him yet.

GRANGE WILL KEEP UP UTILITY FIGHT

Won't Quit Until Purpose is Accomplished, Says State Master Gill.

PORTLAND, April 12.—(AP)—The state grange will "never" quit until it has won its public power fight, Ray W. Gill, state master, said today in announcing the intention of the grange to further the public power policy, despite the general defeat of a proposal of a public utility district embracing seven northwestern counties.

Gill said a study was being made as a result of the election returns last Friday to determine the best procedure but that until the status of the few municipalities and unincorporated areas which favored the district was determined, the decision on seeking new elections would be held in abeyance.

The state master said that several other counties, Linn, Lane, Hood River and Marion, might have elections as a result of petitions or other movements in them to seek formation of public power districts.

SALEM, April 12.—(AP)—C. E. Stricklin, secretary of the state hydroelectric commission, said a legal question existed on whether the commission had authority to create people's utility districts in areas voting favorably on the proposed seven-county district last Friday.

He said the matter probably would be referred to the attorney general.

The election as a whole went against the proposed public utility district, 21,524 to 13,537.

The proposal was approved by voters in Falls City and Moomouth in Polk county, Lafayette in Yamhill county, Barlow in Clackamas county and Columbia City in Columbia county, and in rural Columbia, Polk and Yamhill counties and the Nehalem area of Clatsop county.

Forty-one municipalities and five unincorporated sections in involuntary portions of Washington, Columbia, Clackamas, Yamhill, Clatsop, Polk and Lincoln counties rejected the proposed district.
