Wreck Weather Coming

SUMMER approaches, the pulse of nature quickens, life begins and shortly the country's motorists will start slowing up one another's pulses and ending their lives.

Traffic cops know that good weather breeds bad accidents. The safest time to take a spin is at the height of a rainstorm or the tag end of a good thick blizzard. Most people are more than ordinarily cautious then. When the sun comes out and the roads dry off, everybody does a little relaxing, lets it out, and turns his car into a kind of traveling nut house.

The season, therefore, is ripe for taking stock . . . of your own assets and liabilities as a driver, the ones that appear to be those of the average driver you encounter, and those of your car as something to entrust your life to.

How long it will take to make the nation's highways as safe as its sidewalks nobody cares to guess, but the problems of traffic have never commanded such concerted, countrywide study as they are now receiving. National organizations, community groups, city, county, state and federal officials are going after satisfactory solutions from every conceivable angle.

Highway improvement is one idea. The chairman of Connecticut's highway safety commission has recently expressed a hope, as have others, for compulsory car inspection prior to any transfer of ownership of a second-hand automobile. The imposition of driving tests and other examinations on license applicants is growing.

A Chicago traffic court judge has gone to the extent of having traffic law violators examined by psychiatrists, and induced to take treatments whose purpose is the correction of the "personality twists" responsible for their abnormal behavior at the wheel.

The greatest movement, and the most effective one, is the safety education campaign among children and adults. Figures on traffic deaths and injuries in cities all over the country show startling reductions where such campaigns have been pursued.

If present efforts in the direction of highway safety are kept up with continued interest, a traffic death in the future will really be news.

Darkest Africa

WHATEVER became of Addis Ababa?

Haven't you heard? Addis Ababa has become the Radio City of the northern part of the Dark Continent. The only troubles they have over there now are various kinds of static. They say.

In Addis Ababa, it has been learned, "the most important international, national and imperial news is daily being broadcast and diffused by means of loudspeakers in Italian, in Amharic, in Galla and in Arabic." Well, maybe not the most important news as news, but certainly the most important as . . . or . . . inspirational messages.

Admiral Nicholas Horthy, regent of Hungary, is the European "head man" after our own heart. The talk he made the other day was his first broadcast speech in the 18 years of his regency.

Editorials on News
(Continued from page 1.)

out effort—as we'd hoped and the politicians had promised. And we're getting thirsty.

Maybe, after all, it would be better to quit priming the pump and roll up our sleeves, spit on our hands and go dig another and BETTER well.

AIR MAIL ESSAY CONTEST OPENED

High School Students Have Chance for Plane Trip and Trophy.

Roseburg high school students have been invited, with those of other high schools over the nation to compete in a nation-wide essay contest which will feature National Air Mail week, May 15 to 21, 1938. Valuable flight and other prizes are being offered in all 48 states.

Rules and regulations regarding the contest are being given city-wide release by Postmaster E. T. Hedlund of Portland state chairman of National Air Mail week. Essays, to be on the subject of "Wings Across America" and not to exceed 250 words on the ideas, purposes and advantages of air transportation as it affects modern communication, must be in the hands of school principals by the close of school, May 1.

The competition is open to high school students throughout the United States, Postmaster Hedlund reported. First prize winner of Oregon and each other state will be given an air trip from his nearest airport to Washington, D. C., and return through cooperation of all airline companies. The second state prize will be a trophy. State essay winners will be guests at a banquet in Washington, where grand prizes will be announced. The first national prize will be a trip by air to Hollywood and return with hotel accommodations and meals for five days if the winner lives east of the Mississippi river, or to Miami and return with hotel accommodations and meals for five days if the winner lives west of the Mississippi river. Second national prize will be a trophy and third prize, a plaque.

DONALD BASHFORD MEMORIAL IS HELD

An impressive program as a memorial to Donald Bashford, whose tragic death in a drowning mishap shocked the community several months ago, marked the Good Friday assembly at Roseburg junior high school.

Representatives of the Rotary club presented to the president of the student body the Donald Bashford Memorial trophy offered by the club to the 9th grade boy selected as the best all-around student. Basis on which the award will be made in connection with the spring promotion exercises was fully explained, by Principal R. R. Brand.

A tribute to Donald Bashford was given by Ralph M. Church, junior high school instructor, who declared that Donald exemplified the type of boy whom the sponsors of the award had in mind for recipient of the trophy.

Music for the program was furnished by the junior high's girls chorus.

FEDERAL AID FOR CHEESE PLANT ASKED

SUTHERLIN, April 16 — At a special meeting called by the Sutherlin city council petitions were signed to be presented for federal aid for the purpose of reopening the cheese plant, cannery and other depleted business in Sutherlin. About one hundred attended the meeting which was held in the gymnasium. The mayor, Martin Lloyd, was the main speaker of the evening. Frank Young, postmaster, who is president of the newly organized Community club, acted as secretary. It is hoped that the attempt will be successful, as there has been great need of a larger pay roll in this vicinity.

PLANS CONSIDERED FOR CELEBRATION

CANYONVILLE, April 16 — A committee composed of Dick Steele, P. W. Didtel and W. C. Pelham has been named to direct the work of the South Umpqua Rod and Gun club in connection with the annual Fourth of July celebration at Canyonville. The appointments were made by John Hamlin, president of the club, at the last regular meeting.

The organization spent considerable time in discussion of construction of roads to South Douglas timber holdings and a conference will be held with the county court to consider roads to permit further timber development.

FELLOWSHIP FUND QUOTA SUBSCRIBED

CORVALLIS, April 16.—(AP)—Its quota of a national $1,000,000 fellowship fund—$30,000—has been raised by the northwest section, American Association of University Women, Mrs. G. A. Johnson, Portland section chairman, told a convention group yesterday.

Income will be used to finance advanced study for outstanding college women from the section, Oregon, Idaho, Montana, and Washington. The fund will be named for Dr. Margaret Snell, founder of the Oregon State college home economics school, Mrs. Johnson said.

Sweden has a "silent traffic" law which prohibits the blowing of automobile horns in cities except in emergencies. Another law punishes the motorist who splashes a pedestrian.

OUT OUR WAY — By Williams

FEATURE FLASHES FROM KRNR

ON THE AIR FROM EVERYWHERE

Observances of Easter Day

Hollywood Bowl . . . the green slopes of Mt. Davidson, one of San Francisco's famed seven hills . . . the steps of Washington state's eight million dollar marble capitol in Olympia . . . these spectacularly beautiful scenes will be the stage of Easter sunrise services brought to national air lanes by the Mutual-Don Lee Broadcasting system through KHJ, Los Angeles.

Beginning at 5 a. m., the Hollywood Bowl program, participated in by luminaries of the screen, will be broadcast for a period of forty-five minutes. A living cross formed by three hundred children will form the background for a chorus of two hundred voices, an orchestra of ninety pieces, and a Lord's Prayer chorus of forty voices. "Salutation to the Dawn" will be read by Herbert Marshall, motion picture celebrity, and Marion Talley, internationally famous soprano, will sing "The Palms." Congregational singing will be led by Hugo Kirchhofer from the background of the Federal Symphony orchestra.

At 5:45 a. m., remote control facilities will be switched to Mt. Davidson where fifty thousand San Franciscans gather annually on Easter morning to celebrate the resurrection. The sunrise services on the slope of the mountain will be the 16th annual observance from the historic point which is the dominating peak of the seven on which San Francisco is built.

The Mt. Davidson Scriptural message will be given by the Rev. Henry D. Shires, dean of the Episcopal Divinity school, Berkeley, Calif.

At 6:15 a. m., the trans-continental Easter program from the Pacific slope will center at Olympia, Wash. Four ministers of Olympia churches, the Rev. Robert Brumblay, Rev. L. Wendall Taylor, Rev. W. G. Comin and Rev. Samuel Everton, will speak the Scriptural messages. A children's acappella chorus of one hundred and twenty voices will be heard in two selections appropriate to Easter, and the massed choirs of Olympia churches, numbering one hundred voices, will close the program at 7 a. m. with "Hallelujah Chorus."

From 7 to 7:30 a. m. a selected fifty-voice choir from the Los Angeles Civic chorus will present a dramatized version of "The Crucifixion" from the studios of KHJ, Los Angeles, under the direction of J. Arthur Lewis. This rendition will complete the trans-continental broadcast of two and a half hours and will be followed by a half hour of Easter music, 7:30 to 8 a. m., with Frederick Stark's KHJ orchestra over the Don Lee network of 26 stations along the Pacific coast.

Capture of Bandit Chief

Revealing that Uncle Sam's marines must use diplomacy with a finesse that parallels skill with firearms, Mutual-Don Lee network's program, "The Marines Tell It to You," re-enacts a chapter from the life of Major General Charles H. Lyman, commander of the department of the Pacific of the United States marine corps for its presentation on Sunday, April 17, at 6 p. m.

Broadcast from Detroit

"Thirty Minutes in Hollywood" is again transplanted to Detroit with a Michigan background on Sunday, April 17, from 3 to 3:30 p. m., when this popular program featuring George Jessel reaches national air lanes over the Mutual-Don Lee Broadcasting system.

Early Arizona History

Some amazing stories of El Centro, Calif., and nearby white sands of the desert will be given during the "Romance of the Highways" program by Commander A. W. Scott and a cast of popular players on Sunday, April 17, from 10:15 to 10:30 a. m., over the Mutual-Don Lee network.

Oddities Flashed From Press Wire

By the Associated Press

Self-Defense

GREENVILLE, S. C.—Federal Judge C. C. Wyche wrinkled his nose, sniffed, fidgeted a moment—then interrupted a defendant who was testifying.

"What have you been eating, onions?"

"No, sir," the defendant replied, "garlic."

"Let the court recess until 10 o'clock tomorrow morning," Judge Wyche ruled.

Accommodating Stork

OGDEN, Utah—It was father who raced the stork—and won.

While an expectant mother lay on a blanket in front of a hospital, the frantic father-to-be staged a hurried campaign to raise a $30 entrance fee. He had only $15 but rounded up another $15 before the stork arrived.

Still Pretty Long

BONNER SPRINGS, Kas.—Reading of the entire new testament at the Christian church's Good Friday service here was completed in 16½ hours—the shortest reading time known to the pastor, the Rev. William Babb.

Tornado Quirk

EUSTIS, Neb.—A tornado which ripped through several farms here wrecked William Hansen's house but left one wall standing. On it was a framed motto:

"God bless our home."

Catty Car

NEW YORK—John Adams Davis couldn't figure out what caused the squeak every time his car hit a bump.

Garagemen found a cat, unhurt, but angry and spitting, wedged between the gas tank and a spring over the rear axle.

The S. P. C. A. took the "squeak" out of Davis' car.

Feline Financier

ALBANY, N. Y.—Thirteen-year-old Donald Stack's maltese cat, Happy, does better than tote home the bacon—he brings cash.

It took the combined efforts of Donald and his mother, Mrs. Cornelius Stack, to get possession of a $1 bill the cat brought home.

Timely Sign-Up

MEXIA, Tex.—Dr. Marion Brown signed a friend up with a group hospitalization plan.

A few minutes later the friend clutched his side. An appendectomy was performed—for 75 cents.

Disgorged

BOSTON—A police squad car urshed to a restaurant in answer to a radio report that a man was creating a disturbance by refusing to pay a seventy-cent food check. When the offender was booked his pockets were found to contain $9,569.

In Miracle Class

STURGEON BAY, Wis.—Harold Lodo, 20, awakened to find his bed blazing, fired by lightning which entered the house along a radio aerial. He escaped without injury.

NOTED EDITOR OF NORTHWEST DIES

SPOKANE, Wash., April 15.—(AP)—Nelson W. Durham, 78, editorial writer, and editor emeritus of the Spokesman-Review, died of a heart ailment today after 55 years as a Pacific northwest newspaperman.

He was news editor and special writer on the Portland Oregonian from 1883-89 and had been a news executive on the Spokesman-Review since then, except for a two-year leave for writing his history of the inland empire.

PORTLAND BEATS OAKLAND 19 TO 12

Victors Make 14 Tallies in One Frame; Tie Angels for League Lead.

(By the Associated Press)

The Coast league's biggest scoring spree of the season left Oakland's unfortunate Oaks deeper in the cellar today—victims in their latest misadventure of a 19-to-12 disaster at the hands of Portland.

Portland, when the dust of the merry-go-round cleared last night, was tied with Los Angeles at the top of the league's standings.

The Angels slipped down, as the Ducks came up, by losing 4 to 3 to Seattle.

Sacramento's Hafey poled out a three-bagger to drive in the winning run as the Solons defeated Hollywood 5 to 4 in a 12-inning thriller.

San Francisco and San Diego, observed Good Friday by resting, and will play a doubleheader in the southern city today.

14 Runs in 6th Frame

In their wild stampede over the Oaks, Portland's Ducks ran bags for 14 runs in the sixth inning, a feat which started fans thumbing through the records to determine if it was some sort of a league record. Los Angeles scored 14 in one inning of a game last year.

Turbeville, one of four Oakland hurlers, who faced the Ducks in the fatal sixth, was charged with the defeat.

Seattle's win was the third pitching victory of the season for Fred Hutchinson, 18-year-old, 200-pound rookie.

Standings

	W.	L.	Pct.
Los Angeles	9	5	.643
Portland	9	5	.643
Hollywood	8	5	.615
Sacramento	7	6	.538
Seattle	7	7	.500
San Francisco	6	7	.462
San Diego	5	8	.385
Oakland	3	11	.214

CLASS PLAY MAY 6 TO BE MIRTHQUAKE

Pactice will start Monday evening on the third act of "Spring Fever," which will be presented by Roseburg high school class of '38 on May 6.

The production is concerned with the day before commencement at a small college. Howard is busy with a term paper in zoology which he must have to graduate. He is delayed by other students and happenings until his paper is 15 minutes late. Aid is furnished by his Aunt Maude, who arrives to see Howard receive his diploma.

The whole play is punctuated with explosions from Ed Burns' "stinkum stinktorum," and many other tragedies, but all ends happily before the commencement ball.

Characters in the play, directed by Miss Kate Buchanan, are: John Roberts, Bill Craig, Dave Hennigh, Bill Jones, Louise Fancher, Byron Woodruff, Addis Lockwood, Bernice Clark, Eileen Chambers, Vivian Bartley, Madalyn Henninger and Thelma Carter.

GERMAN SPY GETS PRISON SENTENCE

PARIS, April 14.—(AP)—Irene Weiss, 25-year-old blonde German stenographer, was sentenced tonight to 15 months in prison for espionage. She was tried at a secret session of the Paris criminal court.

Miss Weiss was arrested near the Swiss border in 1935 and was charged with being a member of the German spying center at Lindau, near Lake Constance, from which operatives sought information on France's Magnot line of defenses facing Germany.

In passing sentence, the court took into account that she had been in jail nearly two and a half years while French counter-espionage agents ran down other members of the spy ring.

HELLO WORLD!—Adv.

SCHMELING FACES TRIAL HORSE DUDAS

German Expected to Try Hard for K. O. Tonight of New Jerseyite.

HAMBURG, Germany, April 16.—(AP)—Max Schmeling's fists, the only pair that ever rocked Heavyweight Champion Joe Louis to sleep, are expected to bounce off Steve Duda's chin to good effect tonight when the German title contender and the Edgewater, N. J., trial horse clash in a fifteen-round bout.

This is the last in a series of practice sprints before Schmeling tangles with Louis for the championship in the United States on June 22.

The only expert who has gone to bat for Duda's chances against Schmeling is Professor Billy McCarney, Steve's manager. The professor's principal offering is that Steve has an eight-year age advantage. But since Louis had even more of a margin over the Black Uhlan, and still Schmeling stopped him in twelve rounds, it hardly is a point to impress the skeptics.

Schmeling, who rarely lets himself get out of shape and has done his training for this bout with his customary thoroughness, weighed in at 194½ to the American's 195 last night.

Schmeling was not too impressive his last time out, when he won nine rounds of a 12-round scrap with Ben Foord of South Africa. With that in mind, and despite the Schmeling camp's feeling that Dudas will be tougher than Foord was, the German is likely to try hard for a knockout.

The thumb he injured against Foord has healed completely.

Daily Devotions

By DR. CHAS. A. EDWARDS

No one can be positively sure where the precious body of Jesus lay during that silent and sad Saturday. So, as the light of the world went down that dreadful Friday night, plunging the Sabbath into chill and awful darkness, the universe waited in its deathly stillness for the great event of His rising again. On this side of Easter we think of Holy Saturday differently than those who knew not that Easter would come. For them it was the desolation after a terrible disaster but for us it is the hush that precedes the dawn. It was more than human minds could fathom. They said, "We thought it was He, who would have redeemed Israel," and they were sad. Soon their sorrow was turned into joy. "He lives, who once was dead." Our Glorious Christ will be victorious over sin, and death, and the grave.

"Christ the Lord is risen, Alleluia." Amen.

OREGON EVENTS FLASHED FROM WIRE SERVICE

BONNEVILLE, April 16 — (AP) — While steelhead continued climbing the Bonneville dam fish ladders at the rate of 60 an hour yesterday, government observers said the run was tapering off.

PORTLAND, April 16 — (AP)— A few minutes before old-fashioned double parking tags gave way to new non-fixable traffic tickets, police handed out the last one—to City Commissioner J. E. Bennett. He double parked while directing police in a raid on an alleged Chinese lottery establishment.

McMINNVILLE, April 16 —(AP) — Formation of a people's power district in those parts of Yamhill and Polk counties which voted favorably in a recent special election on a proposed seven-county district was urged in a resolution by McMinnville Grange No. 31.

CORVALLIS, April 16 — (AP)— The Winney Brothers Lumber company sawmill, five miles west of here, was destroyed by fire of undetermined origin yesterday. Despite Benton county labor troubles in the past few years the mill had operated consistently with a crew of 20 to 25 men. Amount of the loss was not learned immediately.

HEPPNER, April 16 — (AP) — Lexington has voted for a municipal water system, approving a $7000 bond issue by a 54-4 vote.

Money raised by the bond issue will be used to purchase the system now operated under private ownership.

Mayor Tom Barnett and his fellow councilmen are planning improvements to be made with assistance of a PWA grant.

BARBS

An archaeologist announces the discovery that Mesopotamia had bathrooms 5000 years ago. There those archaeologists go, plumbing the depths of history again.

A New Orleans physician says nurses should frequently hold their patients' hands. Maybe they could do it more frequently if the patients would let go once in a while.

The gunmen in Tulsa, Okla., who gave their victim a receipt after robbing him certainly proved there's still honor among thieves.

A big-time hockey star has 400 stitches in his person. Why, the old sew and sew!

(Copyright, 1938, NEA Service, Inc.)

EASTER SUNRISE SERVICE ARRANGED

An interesting program has been arranged, it is announced, for the Union Sunrise Easter service to be held at 5 a. m. Sunday at the Presbyterian church. Young people of several churches of the city will join in the special Easter program. Breakfast will be served at the close of the worship period. A general invitation has been given for all young people to attend.

HONOR 'GRAD' GETS YEAR FOR ROBBERY

SALEM, April 15.—(AP)—Maurice Selig, honor graduate in psychology from the University of Oregon, was today sentenced by Judge McMahan to serve a year in the state penitentiary. Selig had pleaded guilty to breaking a window of the Stevens & Brown jewelry store here and taking diamonds and watches from the place.

HELLO WORLD!—Adv.

MAILS BAN STRIKES "BANK NIGHT" FIRM

WASHINGTON, April 15.—(AP)—Postmaster General Farley, ruling today that "bank nights" are lottery, barred Affiliated Enterprise, Inc., of Denver, and its officers from further use of the mails.

A recent audit of the Denver firm's books by postal inspectors showed a gross income of $1,250,000 in two years, the post office department said. Emmett Thurmon, general counsel for the corporation, asserted at a hearing here last January, however, that operating costs ran as high as 90 per cent.

DRIVER EXAMS SET

Examinations of operators and chauffeurs will be conducted in Roseburg Tuesday and Wednesday by Glenn Bown of the state motor vehicle department. The tests will be given at the courthouse.

HELLO WORLD!—Adv.
