3 COAST TEAMS IN SECOND PLACE TIE

By the Associated Press.

A ten-run scoring spree coupled with a ninth-inning double play with one out and the bases loaded moved the San Francisco Seals to a tie today with Hollywood and Sacramento for second place in the Pacific Coast baseball league.

The Seals handed the Hollywood team its second licking in as many days yesterday by a 11 to 9 score, making ten of the runs in the second inning.

Portland and Los Angeles remained tied for first place. Portland trimmed Sacramento 8 to 5 and Los Angeles measured San Diego 6 to 3. Sacramento's Adams tried hard to take the game out of the fire when he accounted for three of four Solon runs in the ninth with a homer.

Last place Oakland defeated Seattle 5 to 3 in a game marked by home runs. The game gave Seattle fans their first glimpse of their 1938 team.

BRUBAKER REPEATS VICTORY OVER VALIN

OAKLAND, Calif., April 21.—(AP)—Phil Brubaker of Dinuba, Calif., on a comeback campaign following his sensational rise and fall in the heavyweight ranks, holds a second ten-round decision

today over Domingo Valin of Hayward.

The former Bible student came back strong here last night after losing the first four rounds and outpointed Valin with clever boxing and sharp body punching. He had Valin wobbling at the finish. Brubaker weighed 201 and Valin 190.

DEAN MAKE GOOD IN DEBUT FOR CUBS

Top Form Shown in Win Over Cincy; Bob Feller Pitches 1-Hit Game.

By GAYLE TALBOT (Associated Press Sports Writer)

The big league baseball races, only just begun, already have supplied more quick color and emotion than a four-ring circus during a thunderstorm. The customers today were slightly bewildered from trying to look in several directions at once.

Owner Phil Wrigley, the chewing gum king who owns the Chicago Cubs, was breathing a little easier and gaining confidence that he hadn't been stuck in planking down \$250,000 for Pitcher Dizzy Dean. The Diz did all right in his inaugural.

Bob Feller, 19-year-old fireballer of the Cleveland Indians, had come within a single scratch hit of achieving that nobility of all diamond deeds, a no-hitter, as he shut out the St. Louis Browns, 9 to 0. Also, he struck out six and made two hits.

Among the lesser incidents of a lusty day was the home run hit by Gene Moore of the Boston Bees with three on base to beat the Giants, 6 to 4; a nine-run rally by the Cubs at Cincinnati's expense, and a four-run, last-inning comeback by the Philadelphia Phils to out-game Brooklyn, 6 to 5.

Dizzy Dean in Form

Eyes were glued to the flickers all over the country as Dean went in against Cincinnati to prove that Branch Rickey of the Cards hadn't made a sucker out of Wrigley. It wasn't a complete test for the great one's arm, not after the Cubs gave him nine runs in the second inning. During the six innings Diz worked he allowed eight hits and two runs, but he looked tough enough when it came time to hear down.

He struck out three men, each time with men on the sacks, but didn't appear to be exerting himself otherwise. Manager Grimm relieved him after the sixth and let Russell finish out the 10-to-4 victory. Lazzari hit a double and three singles for the Cubs, who raked three Reds for 16 safeties.

Turner Halts Giants

Turner, last season's aged rookie sensation, held the Giants to six hits and Moore came through with a decisive homer for the Bees. The only serious blow against Turner was McCarthy's round-tripper with two on.

The St. Louis Cards looked like they were missing Dean poignantly as five of their remaining pitchers, whose names scarcely matter, took another 9-4 licking from the Pittsburgh Pirates. Every Pirate joined in the 20-hit barrage.

Fitzsimmons was the victim of the Phils' spectacular win over Brooklyn. Leading 5-2 going into the ninth after having hurled little less ball for four innings, he suddenly was rapped for three singles before Butcher was rushed to the rescue. Whitney promptly drove in two runs with a single to tie the score, and then Butcher cut loose

DI MAGGIO LOSES FIGHT FOR \$40,000

Outfielder Ends Holdout by Accepting Yankees' Offer of \$25,000.

By DREW MIDDLETON NEW YORK, April 21.—(AP)—So Joe took the \$25,000 and Messrs. Joe McCarthy, Jacob Ruppert and Ed Barrow breathed a collective sigh of relief the like of which hadn't been heard since the year of the big wind. The Yankees have Joe DiMaggio again.

Perhaps Manager McCarthy was the most relieved yesterday afternoon when DiMaggio wired Business Manager Barrow he had accepted the club's sole offer of \$25,000 after holding out for \$40,000 since January 21.

It will be up to McCarthy to judge Joe's fitness to play. The outfielder, who was the league's most sensational player last season and who led both majors in home runs, arrives in New York Saturday and will be in uniform when the Yankees meet the Washington Senators that afternoon.

Both Joes would like to see number "3" go up on the scoreboard when the lineups are given to the umpires; DiMaggio because it is coming him about \$162 a day to remain idle, McCarthy because his bombers have been futile at bat without the services of the cannoner from the coast.

Ruppert Triumphant.

Ruppert is relieved and triumphant. Not only because the jovial colonel likes to see his Yankees win—154 victories a year wouldn't satisfy him—but because he has won, hands down, one of the toughest holdout battles in recent major league history.

When, on January 21, DiMaggio refused to sign the contract for \$25,000, the colonel didn't like it. DiMaggio, despite two remarkable years in which he had hit .323 and .349 with a total of 75 home runs, was asking too much. His 46 home runs had led both leagues in 1937, of course, but the fly falcon from San Francisco was being offered a raise of \$19,000 over his 1937 salary of \$15,000.

"Not a cent more," said the colonel. DiMaggio asked \$35,000 and then raised the ante to \$40,000. Friends in New York advised him to hang on, further nettling the colonel.

Victory Far-Reaching.

Baseball men see a victory for owners behind DiMaggio's capitulation. Had he won out, there would have been a bumper crop of holdouts in 1939. As it is the Yankees have stifled a one-man raid on the big money, which, if successful would have raised salary hopes all along the line.

They did it with no bonus inducements and, according to Ruppert, DiMaggio, certainly the highest paid third-year man in the history of the game, gets "\$25,000, no more, no less and I'm very glad the young

YONCALLA TEAMS DEFEAT OAKLAND

OAKLAND, April 21.—The Oakland and Yoncalla high school baseball teams opened their season at Oakland Tuesday with a double victory for the Yoncalla players.

The Yoncalla boys won by a score of 13 to 2 while the girls took their game by a score of 22 to 9. Despite the one-sided scores, the games proved quite exciting.

In the boys' game, the main feature was the hard hitting of the Yoncalla team which got 13 hits off the offerings of Cole and Hammond pitching for Oakland. These accounted for 2 runs in the first, four in the second, three in the fourth and four in the fifth. Cole opened on the mound for Oakland and went the first four innings getting five strikeouts. He was replaced by Hammond who got the same number in the last three of a seven-inning game.

Turpin went the entire route on the mound for Yoncalla, getting eight strikeouts and allowing but four hits. However, he was somewhat wild and walked six men, but they were scattered and did little damage. In the pinches he would lighten and retire the side.

In the girls' game, Yoncalla opened the scoring by making eight runs off the offerings of Warthen. Oakland retaliated in their half of the first by taking four runs from Edes, who was replaced on the mound by Madden. Yoncalla added three more in the second, seven in the third, two in the fourth and two in the fifth. Oakland added two in the third, two in the fourth and one in the fifth.

The game was featured by hard hitting on both sides, English and Warthen both getting home runs for Oakland while Edes for Yoncalla was getting two and Marsh one.

Lineup—boys: Oakland—Stearns 6, Bennett 5, Cole 1, Todd 7, Baird 3, Hammond 9, Manning 2, B. Stearns 4, Davison 8, Overman 8; Yoncalla—Merin 8, Ludwig 3, Phillips 5, Cramer 2, Turpin 1, Taylor 6, Applegate 4, M. Dodd 7, Junior Dodd 9.

McNARY'S TIMBER BILL CRITICIZED

KLAMATH FALLS, April 20.—(AP)—Sen. Charles McNary's sustained yield timber bill, now before congress, drew criticism from the Klamath county chamber of commerce forest committee in a report submitted today.

The committee pointed out in its report that the McNary plan would have been practical had it been instituted several years ago but declared that it would now prove ruinous to lumbering operations which have been developed on the basis of a timber supply which the bill would cut off.

What is a Kilowatt?

The kilowatt-hour is a measure of electricity. It is really a giant unit. It is the energy of a horse working for 1 1/3 hours. The horse can do more than the muscle work of 10 men. So a kilowatt-hour is equal to the combined muscle work of 13 strong men in an hour. A kilowatt-hour is 1000 watt-hours just as one foot is 12 inches. A watt-hour is not so small that we should sneer at it. When a 100 pound woman walks from the cellar to the first and second floors, and then to the attic, she is tired, yet her work equals only 1 watt-hour. She would have to make the trip from the cellar to the attic 1000 times to equal the work one kilowatt-hour of electricity does. The average cost of a kilowatt-hour used in the home in the United States is nearly 4 3/4 cents, the average for this company is much less than that. Would you walk from the cellar to the attic 1000 times for less than 4 3/4 cents?

"And that's just the 'starter'. Nash alone offers the 12% gasoline savings of the new simplified 'super-thrift' engine.

"No car anywhere near Nash's low price offers you the famous Nash Controlled Air System . . . the Automatic Cruising Gear . . . Vacuum Gear Shifting . . . 'Dancing Sand' sound-proofing . . . or the 'bed-in-a-car' feature.

"Such finer features as complete full-pressure lubrication, and 7- and 9-bearing crankshafts, are exclusive with Nash and America's most expensive cars.

"I tell you, I don't see how Nash can put such low prices on such outstandingly superior cars!"

OUR ANSWER: Nash knows the only way to win against long-established rivals is to build SO MUCH MORE VALUE into its cars that the public can immediately SEE it! See the Nash X-Ray System which gives you the inside story on 1938 cars. Ask your dealer!
