

DIZZY DEAN PUT ON SHELF FOR MONTH

Hurler's Salary Arm Not in Proper Shape; Cubs' Chances Dimmed.

By SID FEDER (Associated Press Sports Writer) That priceless piece of pitching bric-a-brac, the Dizzy Dean right arm, is showing signs of coming apart at the hinges. An X-ray yesterday resulted in the edict that Diz will have to take a month off to get it fixed up.

From the time the Cubs shipped him to the Cubs, the one-and-only hasn't been much more impressive than "Losing Pitcher" Muley, which is hardly impressive at all. He went six innings his first time out, and three; he looked good in his second start; he lasted three frames the next time, and he was worn out at the end of seven only last Tuesday.

With Dean out, the Cub pitching staff doesn't figure to be strong enough to stop the Giants—not the way they're going now, anyway. Giants Win, Cubs Lose The Giants won again yesterday, 3 to 2, over the Cincinnati Reds.

Another meat ticket also produced a beating at the hands of the futility Phillies, 6-4, which left the Giants 3½ games out in front, and put the Cubs definitely on the spot for the Wrigley field invasion of the Giants next Sunday.

Another meat ticket also produced back in New York. This one was old reliable Bill Dickey, whose two-run eighth inning homer gave the Yankees a 3-2 decision over the St. Louis Blues (blows to you), and boosted the world champions into the American league's second place.

Leonard Wins Duel Feller pitched a honey of a ball game to ten innings before given way to a pinch hitter, but his relief, Zuber, couldn't hold it and the Indians dropped a 13-inning 1-0 duel to Washington's Senators.

Dutch Leonard, who couldn't make the grade in the National league, went the entire distance for the Nats.

Lloyd Warner walloped a homer, two triples and a single and paced the Pittsburgh Pirates to a 9-5 decision over the drooping Dodgers. The Bees and Cardinals went to a 3-41 deadlock in a game cut to five innings by rain, after Medwick belted a homer.

Poffenberger pitched a six-hitter for a 4-1 win by Detroit's Tigers over the Boston Red Sox, and Detroitish turned in a six-hitter by hurling the White Sox to a 4-1 decision over the Athletics.

PORTLAND BLANKED, STARS TOP LEAGUE

By the Associated Press. Balch last night pitched the Hollywood Stars into first place in the Pacific Coast league when he won his fifth consecutive game by limiting the Portland Beavers to four scattered hits. The score was 4 to 0. Only one Beaver managed to get past second base. Two double plays helped Balch, top pitcher in the Coast league. He fanned six to raise his total of strikeouts for the season to 24. The Stars picked Laska for four hits and three runs in the first inning.

With the bases loaded and two out in the ninth inning, Marshall, Sacramento outfielder, dropped a fly ball to let Los Angeles score three runs and win the game 6 to 1.

San Diego made it two in a row over the Oakland Aces by a 4 to 0 score. It was the fifth straight win for the San Diego outfit. Craighead limited the Oaks to eight hits.

Evidently all that the Seattle team, in seventh place in the league, needs is to have Third Baseman Gyselman batted at regular intervals.

Tuesday night a ball was bounced off Gyselman's nose, so hard he was forced to retire from the game and San Francisco's Seals won.

Braced by a good night's sleep and a couple of aspirin tablets, Gyselman yesterday single-handedly defeated the Seals, 9 to 2. All he did was hit a single, double, three bigger, a home run with one on base, score four runs himself, but in three more and steal three bases.

Mrs. Susan Machoquette, an Indian, was 106 before she cast her first ballot. She lived in the Occoquan, Wis., area long before the city was founded.

FOR SALE For Balance Due Finance Co. 1936 Chev. Truck and almost new Tumbley Trailer. This is in A-1 condition. \$950 real bargain at 1936 Ford Truck, with new motor, Browney trans., with dual axle trailer, almost new. These belong to Finance Company and they say to sell them. If you want a real bargain see L. R. Chambers At Motor Shop Garage, Phone 129

OUR BOARDING HOUSE

FOOD PRICES DROP TO FOUR-YEAR LOW

CHICAGO, May 4.—(AP)—In sharp contrast to the high cost of food a year ago, the feeding of a family now can be done at the lowest prices in almost four years, a survey of wholesale and retail markets disclosed today. In the summer of 1937, from May to mid-September, the cost of the housewife's grocery basket rose to the highest point in six years largely as a result of the 1936 drought. A sharp plunge since September, however, has put wholesale prices of important foodstuffs around 20 per cent below that level although they still are about 20 per cent higher than the low point reached early in 1933.

Meat led the break away from the September high in food prices. Early this year many meat cuts touched four-year lows and except for a slight recovery in February there has been little change since.

Latest figures on retail meat prices here show declines ranging from 4 to 11 per cent compared with a year ago while the drop from September 15 levels is from 7 to 26 per cent.

Other important foods are sharply lower than a year ago. The grains have been cut 35 to 55 per cent at market; butter is off 16 per cent; eggs 10 per cent; beef 12 per cent; potatoes about 50 per cent; hard 21 per cent; fruits 5 to 50 per cent; and vegetables 5 to 33 per cent. Practically every food item listed on markets here is lower than a year ago.

General business conditions are largely responsible for the reaction that has taken place, market experts said. Reduced consumer buying power has been reflected in the price of most commodities.

INSURANCE MANAGER TRANSFERRED HERE

Howard V. Scheffel, agency organizer for the Northern Life Insurance company of Seattle, today announced the appointment of Emory H. Owen as district manager for the company in Roseburg and vicinity. Mr. Owen comes from Klamath Falls, where he has been associated with the company for several years. He is a graduate of University of Iowa, and has taken graduate work at University of Washington and Oregon State college. He has had six years of teaching experience as head of the science department and coach in the public schools at Wisconsin, and three years as superintendent of schools in Iowa.

While in Klamath Falls Mr. Owen was a member of the Lions club and also was active in P. T. A. affairs. Mrs. Owen was soloist in one of the church choirs and was interested in musical activities.

PRUNE GROWERS END FEDERAL AID PLEA

MILTON - FRESHWATER, Ore., May 4.—(AP)—Having presented lengthy testimony in their behalf during a federal hearing, members of the Blue Mountain Prune Growers cooperative today rested their appeal for federal aid in controlling marketing of their produce.

Attending the session were an estimated 600 cooperative members from Umatilla county in Oregon and Walla Walla and Columbia counties in Washington.

Much of the discussion centered on advisability of including Yakima valley and Idaho in a possible control program and also definition of "prunes" as to whether fruit of the plum variety was included.

Testimony taken will be sent to the secretary of agriculture and late in May, George Naabolt, Portland, AAA marketing expert, will hold a growers' referendum meeting to sanction a final draft of the proposed agreement expected from Secretary of Agriculture Wallace.

Copies will be sent to growers, who must give two-thirds' sanction before further action. Fifty per cent of the shippers of the entire tonnage must also sign the agreement before the prune marketing control measure can become effective.

Under the proposed agreement, shippers would be allotted prune marketing quotas.

BECKMAN ESSAY PRIZES ANNOUNCED

PORTLAND, May 4.—(AP)—Jean L. Inlow, 17-year-old Monmouth high school student, won the \$50 first prize today in the Beckman essay contest conducted by the Oregon Historical society this year on the subject of the voyage of Capt. James Cook to the northwest.

Second place of \$50 went to Barbara Jean Clark, Hood River, third place of \$40 to Patricia Lyman, Toledo, and fourth place of \$30 to Idele Sullens, Prairie City.

Male drivers outnumber female drivers in Oregon almost exactly three to one. Secretary of State Snell says his license files reveal the proportion is a little more than two to one up to age 29. Snell says, but the number of women drivers drops sharply after the age of 40.

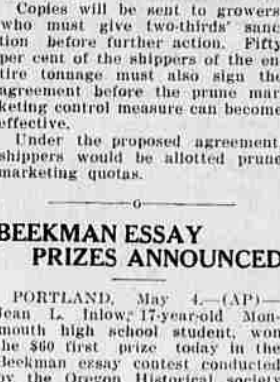

STAGEHAND OUT OF DERBY; HAS FEVER

LOUISVILLE, Ky., May 5.—(AP)—Stagehand was declared out of the Kentucky derby today by Maxwell Howard, Dayton, Ohio.

SOUTHPAW ELLIOTT MOWS 'EM DOWN

Myrtle Creek High Hurler Working in 19 Innings Allows No Hit.

Among former American Legion baseball players who offer promise to advance into "big time" baseball is a Douglas county lad, Glenn Elliott, Myrtle Creek southpaw, well known to Douglas county fans.

Elliott, who was outstanding in the state as a hurler for the Douglas County Legion Juniors, and who last year made a good record in the Southern Oregon league, is going "great guns," for Myrtle Creek high school this season.

In nineteen innings pitched in three games he has not permitted a hit. Forty-five of 575 batters who have faced him this season have gone down by the way of the strikeout route.

All runs scored against the Myrtle Creek team this year have been made against second team players and pitchers.

"We not only have a fine pitcher, but we have a fine baseball nine," declares Thomas H. Ireland, coach. "We think they are so good that Myrtle Creek challenges any high school baseball team in the state for a home and home game, or we will play a game on May 30 on a give or take proposition."

"At the present time we have played three games, winning all by the following scores: Myrtle Creek at Clatsop 18-2; Myrtle Creek at Lookingglass 14-3; Myrtle Creek at Grants Pass 18-2."

MIDNIGHT BELL BEATEN BY FOSTER

OAKLAND, Calif., May 5.—(AP)—Dick Foster, youthful Berkeley, Calif., middleweight, pounded out a ten round decision over Midnight Bell, Portland, negro, here last night in a fight that was a slug-fest from start to finish.

Bell, substituting for Dale Sparr of Olathe, Colo., injured in training, floored Foster for a two-count in the seventh with a right to the chin but the Berkeley fighter came back strong and earned a draw for the round.

Foster had the negro wobbly in the final canto. Foster weighed 157 and Bell 154. Tuffy Pierpont, 116, of Oakland, secured a technical knockout of Tommy Mason, 116, Los Angeles, in the sixth round of a ten round match.

owner of the winter book favorite. Howard said the colt developed a high temperature last night and showed no improvement this morning.

Earl Sande, former premier jockey who has trained Stagehand and the Chief for Howard, said he had not entirely given up hope of winning the derby as the Chief is regarded as a formidable runner. Sande added there was still an outside chance that Stagehand might come around in time to run Saturday but that if he didn't run in the derby he would not be able to compete in the Preakness May 14 either.

SETTLERS WITH FINANCES FAVORED

EUGENE, May 4.—(AP)—Settlers bound for Oregon from other parts of the United States should be warned that they should be adequately financed if they are to be successful in this state and further, the promoters of areas should make every effort to obtain only people who are financially responsible, it was declared by R. H. Kipp, manager of the land settlement department of the Portland chamber of commerce, in an address before the Oregon chamber of commerce secretaries conference here.

Kipp strongly recommended that a questionnaire be submitted to prospective settlers regarding their finances, and that only those adequately supplied with means be encouraged to come here. Six upstate communities already are cooperating with the Portland chamber in work along these lines, he said.

GARDINER MILL AND TIMBER PURCHASED

GARDINER, Ore., May 4.—(AP)—Purchase of the Gardiner mill, like two years, and a quarter billion feet of standing timber from San Francisco lien holders was announced today by O. H. Hunsdale, Gardiner banker, the Baldridge Brothers Logging Co., Reedsport, and H. W. Kissling, Winchester Bay.

The transaction follows upon the announcement of improvements to the harbor promised by the federal government.

HOUSE VOTES FOR NEW U. S. JUDGES

WASHINGTON, May 4.—(AP)—The house, told that many courts are too heavily burdened, has passed a bill authorizing appointment of six new federal court judges and 18 district judges. The senate recently approved 27 new judgeships, but congressional leaders predicted today a joint senate-house committee would adjust the differences in time for final action before adjournment.
