POPPY DAY MESSAGE FROM UNIT PRESIDENT

An appeal for general wearing of the memorial poppy in remembrance of the World war dead on Poppy days, May 20-21, was issued today by Mrs. Walter Fisher, president of the American Legion auxiliary. She asked that every person in Roseburg pay honor to the men of the city and of the nation who gave their lives in defense of the country by wearing a poppy on Poppy day.

The poppy is the symbol of the supreme sacrifice. It stands for the highest type of patriotism we can conceive. Wearing this little flower awakens in our hearts a deeper consciousness of our duties to our country. It reminds us that life itself is not too much to give if our country is in danger and gives us inspiration to serve in peace with the same spirit of patriotic devotion that inspired those who died among the poppies of France.

Members of the auxiliary will distribute poppies on the streets all day Saturday, receiving in exchange for them contributions for the Legion and auxiliary welfare work among the disabled veterans and needy families of veterans. The poppies have been made by disabled veterans at the Roseburg Veterans' Administration facility.

Creations of Art With Needlework

LACY BEDSPREAD IS EASY TO CROCHET

Even the hardest of crocheters welcomes a life-saver when it works out as attractively as this one. For this charming design, made in heavy cotton, measures 5 inches in diameter, so it won't take you forever to complete a spread, dinner cloth, or whatever you wish to make. It's perfect for "pick-up" work; making a motif, or even a few rounds, whenever you have a free minute, will produce a new spread in short order.

The pattern envelope contains complete, easy-to-understand illustrated directions, also what crochet hook and what material and how much you will need.

To obtain this pattern, send for No. 415 and enclose 10 cents in stamps or coin (coin preferred) to cover service and postage. Address News-Review, Needlework Dept., Roseburg, Oregon.

It is not the business of a commissioner to suggest what district, or individual is most able to pay the bill.
