ROSS FAVORED TO BEAT ARMSTRONG

Great Fight Expected When Welter Champ Defends Title Tonight.

By GAYLE TALBOT
NEW YORK, May 26.—(AP)—Chances are that one of the great fights of boxing history will be seen tonight on Long Island, when Barney Ross defends his welterweight championship against the phenomenal negro featherweight king, Henry Armstrong.

There have been a lot of bigger fights, but it would be difficult to recall one that promised more pure, undiluted action than this 15-rounder between the two best little men in the business. In some respects it is a greater natural than the Louis-Schmelling duel to be fought four weeks from now.

Neither Armstrong or Ross ever has been knocked out, and between them they virtually have cleaned out the lighter divisions. Only Lou Ambers, the lightweight champion, remains to give them a real argument. The winner tonight is due to fight Lou later in the summer.

Everything points to one of those vicious, relentless affairs where they pile into each other at the first bell and keep it up.

Bets Favor Ross.
Such betting as there was today still favored the 28-year-old Henry Ross, who has stood and slugged, lunging, swinging attack, and at the end to have his sudden glove lifted by the referee. Scarcely one of the experts thought there would be a knockout, despite Armstrong's record of having stopped 35 of his last 37 victims.

The negro's trail of destruction did not lead him through men like Ross, who has stood and slugged for a total of 125 rounds with McLarnin, Causton, Petrole and Garcia. Armstrong hasn't met that kind.

Ross' only knockdown came when Garcia knocked him for a three-count in their first meeting. Barney got off the floor to beat him. Ross' legs doubtless are not what they were in his great battles a few years back, but they carried him through 15 rounds to heavy punishment against Garcia only eight months ago.

Negro Expects Early Win.
Another point made by Barney's backers is that Armstrong never has gone 15 rounds. They figure he will find those last five stanzas mighty long. At the same time, however, the homicidal little negro has been seen to stop 10 rounds without any sign of weariness, and he is completely confident tonight's 15 won't bother him. He expects, of course, to win long before that.

Outside of the years he is giving away, Ross will have all the physical advantages, including a five or six pound pull in the weights, an inch and one-half in height and a longer reach. Armstrong, on his record, probably is a little the stiffer puncher. Ross without a doubt is the better boxer.

Probable betting odds favored Ross 8 to 5.

There will be a nation-wide broadcast of the fight over the Na-

tional Broadcasting company stations. The fight is scheduled for 10 p. m. (eastern standard time).

BEAVERS LOSE LEAD TO SACRAMENTO

SAN FRANCISCO, May 26.—(AP)—Glen (Rip) Russell, Los Angeles first baseman, blasted the Portland Beavers out of first place in the Pacific Coast Baseball league last night by hitting a homer with two on base in the first inning and then batting in another run in the third inning to give Los Angeles a 4-to-2 victory.

The homer was Russell's ninth of the season.

The Sacramento Solons moved into first place by a full game after an error, two walks and a single accounted for two runs in the ninth inning and gave them a 2-to-0 win over the Oakland A's.

The San Francisco Seals demonstrated last night why they are tops in team hitting in the circuit. Their hitting enabled them to defeat Seattle 7 to 4 in a 10-inning tussle up north. The win put the Seals in third place and dropped Seattle to fourth.

After losing seven in a row, the Hollywood Stars broke into the win column again by defeating the San Diego Padres, 5 to 4.

HESS' MAJORITY REACHES EVEN 6800

PORTLAND, May 26.—(AP)—Returns from a lone Lincoln county precinct, where added last night, to complete the vote in the democratic gubernatorial primary election, giving Henry L. Hess, La Grande, an even 6800 majority over Governor Charles H. Martin in 1931 precincts.

Hess polled a total of 59,225 votes; Martin 52,425 and O. Henry Olsen, third candidate, 5781.

EXTRA INNINGS LUCKY FOR BOSTON

All Overtime Games This Season Taken by Boston; Aging Hurlers Aid.

By SID FEDER
(Associated Press Sports Writer)
If someone can find out how a visiting team can win an extra inning game from the Bees in Boston, he probably could make himself a nice piece of change selling the secret to seven other National league managers.

It's getting so there that the fans in National league park want to make their rain checks good for the next day if the Bees flush a game in the regulation nine innings.

Casey Stengel's stingless outfit has played four overtime engagements at home in the last seven games, and has finished on top in each one of them. And that's one of the larger reasons why the Bees have a tight hold on third place in the National league.

They aren't hitting much harder than the size of their shoes, as usual, so they're relying on the aging arms of their big four pitchers, MacFayden, Turner, Fette and the 31-year-old rookie, Shoffner.

The combination resulted in two victories in 25 innings against the Pirates on consecutive days, an 11-inning decision over the Chicago Cubs, and, as recently as yesterday, a 2-1 win over the rude Reds from Cincinnati in another 11-inning affair. In this one, MacFayden turned in a seven-bitter to beat Derringer and boost the Bees a game and a half in front of the Rhinelanders, who were going at

a merry clip until they reached Boston for their current series.

Although they're only two games from second place, the Bees made no advances toward the top yesterday since both the Giants and the Chicago Cubs continued their winning ways.

Larry French Stars
The Cubs, sparked by the three-hit pitching of Larry French, handed the doddering Dodgers a 7-2 setback, stretching the Brooklyn losing streak to five straight. French drove in the final three runs himself with a base-clearing two-bagger.

Another hitting pitcher, Schumacher, showed his stuff in the Giants-Cardinals game. Prince Hal not only hurled six-hit ball, but produced the winning run with a home run smash. The result was a 3-1 victory for the New Yorkers over the gas house gang.

Over in the American league, meantime, Cleveland's red-hot Indians gained a full game on their nearest rivals by knocking off the second-place Boston Red Sox, 6-4, on the strength of a four-run rally in the seventh.

Tigers Beat Yankees
The Yankees, staggering in third place, continued to look far off form as they dropped a 7-4 decision to the Tigers, with four home runs, two each by York and Greenberg, accounting for all the Detroit runs.

Rookie Howard Mills hurled 13 full innings as the St. Louis Browns outlasted the Senators, 4-3. The White Sox closed three homers to topple the Athletics 7-4.

Walters' five-hit pitching and Mueller's homer gave the Phillies the best of a pitching duel with the Pirates for a 2-1 score.

PORTLAND, May 26.—(AP)—Mormon crickets "big as mice" and boasting every color of the spectrum replaced fish in a tale told by two Portland anglers, William Ludell and Fred Bowman, yesterday.

The pair said they found millions

of insects creeping across the Warm Springs Indian reservation, eating everything in their path.
