INDUSTRIAL CLUB HAS DELIGHTFUL MEETING

SUTHERLIN, June 9.—A very interesting and unusual day was enjoyed by the members of the Fair Oaks Industrial club at the home of Mrs. Wilnot at the Bonanza Quick Silver mine, Thursday, June 2. The usual potluck luncheon was served at 12:30 on a long table set on the porch that is high enough to afford a view of the surrounding country. This afternoon hours were spent with a business meeting first, presided over by Mrs. G. W. Milam. Plans were made for a picnic for the members and their families to be held on July 7 which will take place at the regular meeting. After the business session, most of the guests visited the mines, where the processes were explained very completely by Mr. Findlay, manager of the mine. From the deep tunnels where the ore was hauled on small cars carrying a ton, to the heated "pan" where the rivulets of quick silver trickled through the black silt in a fascinating way, the process was followed and explained, step by step. The small looking but extremely heavy, flaky containers were marked at and all expressed their appreciation of being allowed the opportunity of the visit. Guests of the day were: Mrs. Cora Allen, Mrs. Belle Cook, Mrs. Findlay, Mrs. C. Levering, Mrs. T. E. Jones, Mrs. Hatfield, Mrs. Elmer Holm, Mrs. J. P.
