Daily Devotions

By DR. CHAS. A. EDWARDS

By the testimony of the spirit we mean an inward impression on the soul whereby the spirit of God immediately and directly witnesses to our spirit that we are the children of God, that Jesus Christ hath loved us and given Himself for us; that all our sins are blotted out, and we are reconciled to God. God so works upon the soul that the stormy wind and troubled waters subside and there is a great calm, the heart resting safe in God. Our Father we live in an age perplexed and full of doubt. Many have lost the sense of Thy nearness and of Thy love, and in a world full of strife and violence know not where to turn for help. Reassure us by Thine inviolable spirit that we are Thine. May we claim as our own all Thy promises and behave as true sons of our Heavenly Father, in Jesus name. Amen.

SOCIAL CREDIT IS LOSER AT ELECTION

REGINA, Saskatchewan, June 9. (Canadian Press)—Hopes of the social credit party were dashed as the liberal provincial government of Premier W. J. Patterson was swept back to power today in elections for the 52 seats in the Saskatchewan legislature.

It will be the second successive legislature without conservative representation. The liberals held 50 of the last assembly's 55 seats. The social credit party had hoped to set up an administration on the same lines as that of Premier William Aberhart in Alberta province.

Only two social credit nominees were elected and a recount was regarded as a virtual certainty in the victory of one. Fred Herman of Melville over Highways Minister C. M. Dunn. The margin was only four votes.

Nearly complete returns assured the liberals of 33 seats. The cooperative commonwealth federation, the principal opposition, had nine; social credit, two; union progressive, one; independent, one.

Liberals were leading for three other seats and a C. C. F. candidate for one.

Premier Aberhart and at least 40 of his followers in the Alberta and dominion parliaments had spoken to thousands on tours of Saskatchewan in behalf of the 39 social credit candidates.

NO OREGON CITY KNOX LAW MODEL

PORTLAND, June 9. (AP)—Enforcement records of the state liquor control commission showed today that while some cities had fewer violations than others no community could be singled out as a model.

The comment was made by the enforcement division after the commission said Ashland had been "virtually free" of infractions. Neither could any community be presented as a "bad example." Outside of Portland, where beer

RICE PARTIES SET TO HELP CHINESE

NEW YORK, June 9.—Sixteen hundred babies born in Shanghai refugee camps during the past four months are threatened with death by starvation and disease, Colonel Theodore Roosevelt Jr., national chairman of the United Council for Civilian Relief in China, asserted today following receipt of dispatches from Mrs. E. F. Henry, Southern Methodist church relief leader, in Shanghai.

Mrs. Henry reported that the 1,600 infants and thousands of other Chinese children are receiving only the barest sustenance owing to the lack of food. Colonel Roosevelt said, as he speeded up plans for the national bowl of rice parties to be held on June 17 to aid destitute Chinese civilians.

The former Kansas City woman said in her dispatch that all welfare workers and physicians in China are anxiously awaiting the funds expected to be raised at the bowl of rice parties in 1,500 cities on June 17 and re confident the American people will rally to the great humanitarian cause.
