All-Star Baseball Game Bets Favor Americans

GOMEZ AGAIN TO BE ON FIRING LINE

Vander Meer, Sensational Hurler, Will Pitch For National Leaguers.

By GAYLE TALBOT

CINCINNATI, July 6.—(AP)—The herces of 1001 home runs, the elite of the baseball world as of the current year, clash here today in the sixth annual all-star game between the American and National league.

At 1:30 o'clock (E. S. T.) they come together, with Lefty Gomez of the New York Yankees smoking them across for the American leaguers, and his opponent the sensational young Johnny Vander Meer of Cincinnati's own Reds. It is the fifth time that Gomez has started for the Americanos, and he has three victories to his credit. Vander Meer, the only pitcher in big league history to hurl two no-hit, no-run games in rapid succession, is making his first appearance in the mid-season classic

The American leaguers, with four victories in five previous shotgun encounters, were pronounced favorites at 8-to-5 to trim their inter-league rivals again.

Here is how they will line-up at the outset today, with the individual batting averages:

TWO PUGS, 5 AIDES DRAW SUSPENSIONS

CHICAGO, July 6.—(AP)—Illinois will be forbidden fistic territory for Jimmy Adamick of Detroit and Jack Trammell of Youngstown, O., for one and five years, respectively.

The heavyweights were suspended yesterday by the state athletic commission after an investigation of their bout here June 8.

The Youngstown negro went down for the count in the second round after holding a wide edge over his opponent. The commission ruled the bout "no contest."

Five other persons connected with the bout also were punished by the commission.

James Buchanan, manager of Trammel, and Jimmy Brady, Adamick's manager, were suspended for five years. Jack Kearns, former manager of Jack Dempsey and who has booking rights for Adamick's bouts outside of Detroit, was barred from participation in wrestling and boxing for five years, as was Tommy Walsh, Kearns' co-promoter in Detroit. Jerry Lavan, promoter of the bout, was deprived of his license.

The commission announced it would request the three states with which it has working agreements—New York, California and Missouri—to take similar action.

'SCOTTSBORO' NEGRO SHOWN CLEMENCY

MONTGOMERY, Ala., July 5.—(AP)—Governor Bibb Graves today commuted to life imprisonment the death sentence of Clarence Norris, negro "Scottsboro case" defendant.

He acted a few minutes after the Alabama board of pardons recommended commutation for Norris, the only one of four convicted in the mass rape to be sentenced to death in re-trials of the widely-publicized case last year.

Three others, of nine negroes originally accused of raping two white women aboard a freight train in 1931, are serving long-term sentences. A fifth defendant pleaded guilty to assault with intent to murder charges growing out of an attempted escape and got 20 years. Four were freed on motion of the state after six years in jail.

STOCKTON, Calif., July 5.—(AP)—Ceferino Garcia, rugged Filipino contender for the world's welterweight crown, boasted nine knockouts in his last ten fights today. He stopped Jackie Burke of Ogden, Utah, in the fourth round of an Independence day ten-round match.

MANDATORY WHEAT LOANS IMPENDING

WASHINGTON, July 5.—(AP)—Secretary Wallace said today that private crop estimates made it obvious that mandatory wheat loan provisions of the new farm act would be placed in operation.

Wallace, calling at the white house, said he left a memorandum on the wheat loan situation with President Roosevelt.

"It is obvious from private crop estimates," the secretary told reporters, "that when the federal crop estimates come out about July 11, the crop will be shown of sufficient size to make necessary the mandatory loans on wheat."

Under the farm law, Wallace said, the loan will be 52 per cent of the $1.14 parity price, or about 59 cents.

Wallace explained that the minimum rate was 52 per cent. The law also provides a maximum loan rate of 75 per cent of parity.

Agricultural adjustment administration officials said that announcement of the loan was not expected until after the government's July wheat crop report is released next Monday.

Why We Should Have Sane 4th

The old saying that a good picture is more powerful than a thousand words is true tenfold of this photograph—a dramatic preachment for a safe and sane Fourth of July. Eleven-year-old David Taylor of Los Angeles is shown after a four-inch firecracker exploded as he held it in his mouth. David thought the fuse had gone out.

Why I Like Golf!

"Tennis is a great game, I'll admit," said the sales manager. "I used to play a lot of tennis and still play occasionally, but mostly I play golf."

"You see, it's this way—in tennis I have to be right there, when and where, the ball goes, or I miss the point. In golf whether I smack one down the fairway or putt on the green, that little ol' ball just sets there and waits for me."

Most advertisers like newspapers for about the same reason the sales manager likes golf—prospects don't have to be in any one place at any one time, because the newspaper may be picked up and read at any time that suits the convenience and the mood of the prospect. Dad may do his reading on the train or car, mother in mid-day or after dinner, and junior members of the clan at whatever time they're home. But all will read it sometime for newspapers are a universal habit.
