

ROSEBURG JUNIORS LACK MOUNDSMAN

Tough Problem Faced by Locals, Dated Against Medford Team.

Bill Gettersen, chairman, and Bob Kidder, coach, have only one worry over the forthcoming baseball game Sunday when the Roseburg Legion Juniors meet the Medford contenders in the first of a three-game series in the district championship playoff. That worry, however, is a plenty big one, for it concerns the woeful weakness in pitching strength of the local squad.

The Roseburg team is reported to be a good fielding organization and plenty powerful at bat, but without a dependable pitcher the players are expecting plenty of tough sledding against the Medford group, which has the advantage of a baseball school coupled with good coaching and a lot of competitive practice.

Efforts to locate a pitcher who can pass the age requirements so far have been unsuccessful.

Trusting to Luck
Under present circumstances the only strategy left is to utilize the few boys who can lob the ball across the plate for an inning or two and trust to luck that the hits land where the fielders can get their hands on the ball.

SACTO LEAD PRUNED TO GAME AND HALF

SAN FRANCISCO, July 7.—(AP)—The bat of Frankie Hawkins, San Francisco third baseman, smashed the leadership of the Sacramento Solons in the Pacific Coast Baseball league to a slim game and a half today.

Frankie pushed one out of the Sacramento ball park last night in the first inning with two runners on the bags just after DiMaggio had scored on Norbert's single. Those four runs on four hits were all that the Solons made during the game, but were enough to give them a 4 to 2 win.

The Senators put two runs across in the second inning on two hits. After that Shores allowed them only five more hits. Sherrill, pitching for Sacramento, settled down after his wild first inning, and issued only a pair of hits the rest of the game.

The high flying second place Los Angeles Angels moved a step nearer first place by facing the last place Oakland A's, 7 to 3.

The Hollywood Stars lost their game, an essential part of a good ball player's equipment outside a mudst camp, so their game with Portland at Los Angeles last night

Daily Devotions

By DR. CHAS. A. EDWARDS
Living at cross purposes with your world out of sorts with your neighbor, unfriendly toward the people you have to do with seemed to Jesus to be a very regrettable state of affairs. He said a great deal about it in one of his statements. He says that even worship should wait until the worshiper had made things right with his brother, even though it was the brother who had something against him and therefore, presumably, he was not to blame for the ill-feeling. Nothing was to count until an earnest effort had been made to change ill-will into friendship. We pray Thee, our Heavenly Father, that we might be able even to learn that very hard lesson of love for those who do not love us. Give us of the graces of Thy spirit gentleness, meekness, patience, goodness, faith that we may be able to make our world friendly and show to all the helpful spirit of our Master, Amen.

was postponed until tonight when the teams play a twin bill. The Stars' equipment was late in arriving from the north and did not get in before game time.

Seattle and San Diego, idle since Monday, open their series in San Diego tonight with a doubleheader.
