

Pirates Grab Lead In National League

GIANTS PASSED IN 13 STRAIGHT WINS

Yankees Now Within Half Game of Cleveland, at Top of Americans.

By HUGH S. FULLERTON, JR., Associated Press Sports Writer. Back home in first place!

That has a comfortable sound for any ball club, especially one which hasn't had a taste of world series glory for more than a decade.

That's just the position of the Pittsburgh Pirates today.

They finished up their road chores in Chicago yesterday by pounding out a 14-to-6 victory over the hapless Cubs. It was their 13th straight win—the longest streak since 1922 when they also won 13—and it put them in the lead by a half game over Cleveland.

They return home to face the National League's eastern clubs, starting with the Brooklyn Dodgers, who knocked their hated rivals, the New York Giants, out of the lead yesterday by beating them 13-6.

By one way of counting, the Giants have a half-game edge, but since they have played more games, their percentage is lower, .635 to Pittsburgh's .638. And that's what they pay off on.

Yanks Crowd Indians

The American league came close to having a shift in leadership as well, for the Cleveland Indians took a 3-8 setback at Washington in the first game of their eastern tour while the fast-stepping New York Yankees knocked out the St. Louis Browns twice, 7-3 and 19-5. The Tribe managed to hold the top by a half-game margin, but the Yanks and their backers figure it's just a matter of time before they cut that down.

Brooklyn, incidentally, explored the stratospheric heights of sixth place for the first time since the middle of May as they gained their first triumph over the Giants in eleven clashes. The Cincinnati Reds beat out St. Louis 6-5 in the other National league game, and dropped the Cards to seventh.

The remaining major league contest saw the Chicago White Sox, Koenig and Kubel, to hand the Athletics their eighth straight defeat, 8-6. Detroit and the Boston Red Sox were rained out while the Phillies and Boston Bees had an open date.

Bats Win Game

Todd and Paul Warner paced the 17-hit Pirate attack that gave the Cubs their sixth straight setback. Todd drove in five runs with a homer, double and single while Warner made four singles.

The Giants didn't exactly throw away their game, but four errors were an important factor in Brooklyn's eight-run first inning and so were four passes.

Gehrig and DiMaggio contributed homers, the 14th for each, to the Yankee twin win, and Huffing batted in three runs with a pair of doubles in the opener to help win his 12th game.

SOLONS KEEP LEAD IN COAST LEAGUE

Win Over Los Angeles Due Mainly to Statz; Oaks Swamp Beavers.

SAN FRANCISCO, July 13.—(AP)—A sensational catch and a 13th inning two-bagger, both by a weather-beaten veteran were the reasons Sacramento's Solons had only a two-game lead in the Pacific Coast Baseball league today.

The score was tied at 4-all last night when Statz, second place Los Angeles centerfielder, who has been playing baseball for some 29 years in big and little leagues, came to bat in the first of the 13th. Lieber had singled before him. Statz smashed a two-bagger and Lieber came home with the run that gave the Angels a 5 to 4 win over the Senators.

In their half of the 13th, the Senators got Vergez on base. Centerfielder Diefenbach cracked a scorcher into centerfield with two bases written on the cover. Again Statz came to the rescue and snared the seeming sure hit on the dead run and the game was over.

Los Angeles had taken a one-run lead in the first of the ninth, but the Solons' Burton smashed a homer in the last of that inning to knot the score and send the game into extra innings.

Paced by Muller and McCormack who smacked four hits each in five times at bat, Seattle overcame an early lead to defeat the Hollywood Stars, 5 to 3.

Seattle's win put the Indians in a tie for third place with the San Diego Padres, who shoved the San Francisco Seals out of the first division by beating them 6 to 2. The Padres' win was a costly one. Reese, their second baseman, will be on the sidelines for several days with a knee injury suffered during a three-run San Diego rally in the third inning.

With a barrage of hits, the cellar Oakland Oaks submerged the Portland Beavers, 14 to 1. The Oaks picked two Portland pitchers for 19 hits. They combined seven runs across the plate in the third inning.

TOWARD TWO CITIES—Nanking which became provisional capital after Japanese took Peiping, and ancient Canton near British-occupied Hongkong—do Mikado's armies push. With an already sizeable chunk of land (vertical shading), Japan charted a "no man's land" for foreigners—this line extending north from Pakhoi to Ichang to Sian, then east and north along the Yellow river. Japan's bombing of Swatow, treaty port, and the landing of troops on Nansha Island, presage a drive on Canton. China thinks Britain and France have warned Japan to stay off Hainan Island and will act to support each other in case "complications arise," said British government.

Heredity Now Traced by Science

To take mystery out of heredity, a chart is being constructed at the California Institute of Technology which will show how and why some persons are fat and others thin, some brown-eyed and other blue-eyed. Work on the map is in charge of Dr. Calvin B. Bridges of the Carnegie Institution. Although it is actually a chart of a fly's heredity, it will clear up some of the puzzles of human hereditary characteristics, a map of which would require 20,000 years to complete.
