HOLY LAND STILL IN GRIP OF FEUD

More Arabs and Jews Hurt
in Fresh Clash; Martial
Law May Ensnare.

JERUSALEM, July 13 — (AP) — An undetermined number of persons were wounded today in a new clash between Arabs and Jews in the mixed quarters of Haifa while police and troops sought to restore order in the troubled Holy Land.

Rifle fire echoed through the streets as the two groups hurled stones and other missiles at each other, but no deaths were reported. Many Jews were evacuating their homes in the district.

A mid-day recapitulation of casualties since July 5 showed: 66 Arabs and 26 Jews killed; 146 Arabs, 95 Jews and five British soldiers wounded. Many others, whose number could not be determined, were wounded in guerrilla fighting.

A squadron of British armored cars rumbled into the country from Egypt. An infantry battalion was landed yesterday.

After a night of conferences at Haifa, Palestine's chief port, authorities met again to consider placing the country under the steel grip of martial law.

A British officer was reported wounded and nine tribesmen killed in a midnight engagement on the Plain of Esdraelon.

Death and arson continued to spread in Haifa. In the mixed quarter of the old town a synagogue, a flour mill and three houses were burned.

Abraham Leibhard, father of the Nazareth district officer Jacob Leibhard, died from stab wounds received near the Haifa mosque.

Troops busily fought off new attempts to sabotage the electrified "wall of Tegar" erected to keep northern agitators out of Palestine. Roads blocked with stone barricades hampered naval forces and military police in efforts to comb towns, villages and the countryside for raiders and bomb throwers.

SMITH RIVER FIRE DRAWS MORE MEN

EUGENE, July 13 — (AP) — Three hundred more fire fighters were being rushed into the Smith river area today as the week-old blaze there continued to eat into new stands of timber.

Leaping into tinder-like cedar trees on the south edge of the forest inferno, flames spread fast Tuesday night and Wednesday morning, engulfing the burn from 400 acres to an estimated 700 acres today, it was reported by O. S. Heide, dispatcher at the western Lane fire patrol office in Veneta. Lower humidity, Mr. Heide said, probably was in a large part responsible for the extensive spread of the blaze. The burn has spread all directions, it was reported, but nowhere so dangerously as in the south where it jumped the fire trail and reached a stand of cedar trees.

Part of the 300 men being sent to the fire front will be replacements, L. Earl Smith, district warden of the western Lane fire protective association, reported as he left here by plane with supplies for Smith river fire fighters.

Two aviators are now in service flying food and supplies into the weary fighters, Mr. Smith said. A new set of pack horses was being brought in Wednesday to carry supplies into the fire area by land. Total number of horses in use will be 25, it was said.

Reports from Veneta indicated the fire would be under control late this afternoon barring unforeseen complications.

With the men now on route to the fire front there will be 580 men in the area, it was said.

KIDNAPER M'CALL GETS DEATH STAY

MIAMI, Fla., July 12 — (AP) — The electrocution of Franklin Pierce McCall for the kidnaping of James Bailey Cash, Jr., was stayed today.

Circuit Judge H. F. Atkinson granted McCall's counsel, C. A. A. Wright, a writ of error petitioning an appeal to the state supreme court. The writ is returnable Oct. 31. The execution, scheduled the week of July 25, is automatically stayed.

The state's "Lindbergh law" provides death for violation unless a jury should recommend life imprisonment. Judge Atkinson conducted McCall's trial without a jury and the death sentence was considered mandatory.

Mr. Rowell in Town — Charles Rowell, of Tenmile, spent yesterday in this city on business.
