SEW A COOL SLENDERIZER PATTERN 4725

Here's a heat-defying afternoon frock to invite admiration—and plenty of them! You who have "weighty" problems to solve, will find a glow of satisfaction from the first moment of wearing this new Anne Adams style. For Pattern 4725 is not only simple-as-can-be to make; it is a miracle of slenderizing, flattering fit. And it's decidedly youthful—just to put it on is to lose several years of one's age! Let a cool print, preferably a monotone and an indirect design—enhance the fascination of the flared or puff sleeves, the clever pointed yoke that may subtend a fluffy jabot or bow, the neat paneled skirt. Why not use a silk crepe, a chiffon or voile?

Pattern 4725 is available in women's sizes 34, 36, 38, 40, 42, 44, 46 and 48. Size 36 takes 3 1/2 yards 39 inch fabric.

Send FIFTEEN CENTS (15c) in coins or stamps (coins preferred) for this Anne Adams pattern. Write plainly: NAME, ADDRESS and STYLE NUMBER.

Do you want to be a style leader this summer? Then write at once for the ANNE ADAMS SUMMER PATTERN BOOK. It's filled with hints on how to be cooler and smarter—how to look younger, slimmer, more glamorous—how to be correctly dressed for every summer setting, whether sunlit or moonlit. **POET'S CORNER**

The following verse was published in a recent number of Tempo magazine:

**LANGUAGE OF LOVE**

One need not be a linguist  
To speak and understand  
The tender words of romance,  
No matter what the land.

For love is universal,  
And any one can say  
The simple words, "I love you."  
In more than one sweet way.
