Henninger's Popular Mart Continues Service With Efficient Personnel.

As Henninger's Mart celebrates its first anniversary the event also marks completion of one year of service by members of the sales force, for personnel of the popular food store have remained the same since it started work a year ago.

Owners of the mart state that members of the sales force were carefully selected for experience, efficiency and personality, in order to assure the customer prompt and courteous service by clerks thoroughly familiar with the complete stock of merchandise.

Among the employees are Don Heinweg, for many years connected with a retail grocery store; Val Medford, Fred Vedder, Ruthenia Vedder, Freddie Vedder and Jack Vedder.

The meat department is managed by Leon J. Johnson, who has had charge of that division since the mart opened in July, 1937. His assistants are managers of the finest of super-cold cases equipped with the most modern meat refrigeration unit.

The mart also carries a complete line of cosmetics and remedies and has a beauty parlor on the mezzanine balcony conducted by Virginia Kellott, a graduate of Missouri beauty college, Kansas.

LEWIS AND HOSTAK TITLES UNDER FIRE

New York Athletic Rules Refuse Recognition, Ask for Future Bout.

By IRENE MIDDLETON. New York, July 28.—(AP)—A fight which was thought to be a sure thing between Tiger and Lewis, two great champions, was thrown out of the state on Tuesday night, and it is not clear that the fight will be made.

The athletic commission yesterday declared Lewis' title vacant in this state and declined to accept Hostak as the new champion. Hostak is a former champion of the world.

The Lewis declaration was based on the fact that Tiger and Lewis, the only champion, were in a title bout. The commission would not recognize Hostak because he was not a former champion of the world.

Hostak's manager, George Grunow, broke into impassioned oratory when they heard the news. "I'll sue, that's what I'll do. I've been waiting for this and my lawyer says we have a case for half a million dollars," declared Grunow, who has a liking for large, round, diamond teeth, worth 100 and 200.

"That gang back there wants to get control of boxing," yelled Grunow. "I'll sue them for a million dollars. I'll sue them for a million dollars. I'll sue them for a million dollars."

GIANTS HIT SKIDS, LOSE 8 OUT OF 10

By SID FEDER. Associated Press Sports Writer. They said it can't happen here. They said no matter how good the Giants looked with bats in their hands, their offense would never amount to anything.

After listening to all that for years, you can take a look at the latest developments in the National League race, and (unless you are a pessimist) you will be very glad that you can't happen here.

The great pitching contest for Houston, who's carrying the entire burden again, is about as exciting as the worst contest in the league. The straight hitting is up around the stratosphere, and the Territory Terry never of 20 and 21 of walking around a hat game ahead of third place, five games back of the Pittsburgh Pirates, and looking more like the Phillies than the Phillies of the moment.

They're only holding second place today because the revised Chicago Cubs developed a case of out-of-control hitting and let the Pirates score three times in the ninth inning for a 2-1 victory.

Terry is frantically switching his lineup trying to get a winning combination, but nothing seems to be working. The Cubs did all their scoring in one inning yesterday because the defense came apart on some frantic error by a man on base, and Alcatraz's Yonkie should have been the last out, and the most interesting Pep Young had himself a hit, only, driving in four runs to give the Pirates a 4-2 win over the Phillies.

The two round-trippers were Hank's 32nd and 23rd of the year and put him seven games up for this date in the Babe Ruth record 1927 campaign.

FIRST ANNIVERSARY OF MART IS CELEBRATED

Long Business Experience Backs Roseburg Store of Henninger's.

Celebrating this week the first anniversary of operations in Roseburg, Henninger's Mart claims a background of long service and experience in Douglas county.

For more than 29 years the proprietors of the business have been residents of the county and identified with mercantile activities.

E. L. Henninger, father of L. E. and A. G. Henninger, owners of the Mart, now a resident of Medford, Ore., came to Douglas county in 1909 and purchased the E. G. Young and Company store at Oakland, conducting a general merchandise business at that place until his retirement in 1926.

Associated with their father in the Oakland business during their early life, L. E. and A. G. Henninger continued in the mercantile trade, being identified at various times with businesses in Oakland, Canyonville and Glendale.

L. E. Henninger has conducted a store at Canyonville since 1929 and A. G. Henninger has operated a store at Glendale since 1928. Together they established Henninger's Mart in the Creason building, Roseburg, a year ago and now are celebrating the completion of their first year of business in Roseburg.
