1000-CAR TEST PROVES TRITON CLEANS OUT CARBON, BOOSTS HORSEPOWER, INCREASES GASOLINE MILEAGE
In a recent 1024-car test, carbon knock, or "pinging" was greatly reduced or stopped in every car completing 3,000 miles with Triton motor oil.
Horsepower picked up an average of 5.4%.
Two-thirds of the drivers reported increased gasoline mileage.
All drivers reported improved performance.
The results are explained by *propane-solvent refining*. It makes Triton 100% *pure* paraffin-base... 100% *pure* lubricant. Thus Triton not only provides the finest type of motor-protection any oil can give, but in addition *cleans out carbon as you drive.*
