HAVING Wonderful TIME

ATTEND THE FAIRS

Harvest season--relaxation--fair time is at hand

Douglas County will go to the fair in five places in the next few weeks—Canyonville, Glide, Lookingglass, Sutherlin and Drain.

The fair is a memorable time of enjoyment, intermixed with serious thought for the future. The farmer counts the results of his labor and learns what the other fellow is doing; the merchant watches for signs of better living; the buyer estimates the importance of the community for production. The spirit at the fair reflects the bountifulness of community life.

The fair is everybody's show!

This Bank joins in helping along the fairs by giving cash prizes, and by sponsoring a free trip to the Pacific International Livestock Exposition at Portland in October for the boy and girl 4-H club winners selected under a merit system.

The Bank also commends the various fair boards and their numerous committees who have given generously of their energy to make their various fairs successful.
