

FELLER SHUTS OUT DETROIT TIGERS

Cleveland Regains Victory Form After Chances for Pennant Vanish.

By BILL BONI Associated Press Sports Writer Like the proverbial mice who play while the cat's away, the Cleveland Indians have been going great guns since the New York Yankees last were seen headed in the direction of their third straight American league pennant.

They are tied for second place with the Boston Red Sox—a position they achieved by winning nine of their ten starts since the great Bronx message. The ninth, and eighth in succession, was nailed to the wall yesterday as Feller pitched a four-hit, 6-0, shutout against the Tigers.

Most important to the National league race was Curt Davis's five-hit fling that gave the Cardinals an 8-0 decision over the Reds. Davis, who didn't walk a man, thus dropped Cincinnati four and a half games behind the first-place Pirates, a location the Reds will seek to improve when they face the Buccaneers in the opener of a two-game series today.

In another National league, Tamula of Brooklyn, came up with eight innings of shutout ball after a wobbly start to hurl the Dodgers to a 6-4 triumph over the Phillies.

Rookie Wine No. 1 In his last effort Feller had two rivals for the day's honors—Stratton of the White Sox, who quit the hospital list to pitch eight-hit ball and set back 'B' Browns, 8-2, and Montezgado, Washington's Cuban recruit up from Trenton of the Eastern league, who pinned the Red Sox ears back, 7-1.

In the day's other game the Giants had to come from behind all the way to nose out the Bees in the tenth, 6-5. Home runs by Kampouris and Moore enabled the Terrymen to carry the game into overtime. Ott's 33rd four-bagger, with two on, tied it in the tenth after the Bees had scored three and Kampouris' single with the bases loaded won the game.

The Pirates, as well as the Cubs, in the National league, and the Yanks and Athletics, in the American, had the day off.

ANGELENOS DOWN SACRAMENTO, 11-6

By The Associated Press The league leader Los Angeles Angels blasted out a 11 to 6 victory over the second place Sacramento Senators in the opening contest of an eight-game series which probably will decide the Pacific Coast baseball league's 1938 first place winner.

The game, played at Los Angeles last night, was punctuated by home runs and two-buggers and extended the Angels' leadership to three and a half games.

In the only other Coast league game played last night, Norbert, San Francisco Seals' leftfielder, smashed a long single in the last of the ninth with the bags loaded to send two runs across the plate and give the Seals a 5-to-4 win over last place Oakland.

Tonight Hollywood opens at Seattle with a doubleheader and San Diego begins its series at Portland with a twin bill.

Sale of Glen (Tip) Russell, hard rocking Los Angeles first baseman to the Chicago Cubs for an unnamed amount of cash and several players, was announced yesterday by the Angels. Russell, who has been batting .308 this season, reports to the Cubs next year.

F. LOCKWOOD TOPS SCORING IN GOLF

Fred Lockwood's 78 in the qualifying round was two strokes better than anything else the field could produce as a large number of Roseburg Country club golfers turned in qualifying scores this week and last for the draw in the competition for the President's Cup. Lockwood's 78 came as a result of steady close to par golf as he carded a smart 38 on the outward nine, a single stroke over par, without registering a birdie. He came in with a 48 to lead in the play for medal honors.

REINSTATEMENT BY FORD CO. FAVORED

WASHINGTON, Sept. 6—(AP)—The national labor relations board received a recommendation from one of its examiners today to require the Ford motor company to reinstate 129 employees at its Richmond, Calif., plant.

The recommendation was part of a report by Trial Examiner Thomas H. Kennedy, who said also the United Automobile Workers, a CIO affiliate, has been selected by 1,120 of the 1,277 production workers as their bargaining agent. He recommended the company enter negotiations with that union.

Kennedy declared there was evidence of "widespread discrimination" against Ford employees at Richmond because of their union affiliations.

He added in spite of the designation of the U.A.W. by the workers, the company had refused to bargain with the union.

The report said the company had used a plan of union discouragement in which Ford used the services of a man described as "John Adams" for the purpose of misleading employees concerning Ford's labor policies. Ford distributed propaganda to the workers which ridiculed unionism and attempted to identify the auto workers as communistic, Kennedy said.

BRIDGES ON TRIAL IN CONTEMPT CASE

LOS ANGELES, Sept. 6—(AP)—Harry Bridges, Pacific coast CIO leader, went on trial today charged with two counts of contempt in a superior courtroom packed with union observers-delegates.

The charges grew out of a court battle months ago over funds of the San Pedro Longshoremen's local.

The observers—two from every CIO union—cheered Bridges loudly when, flanked by a battery of labor attorneys, he entered the courtroom.

Attorney A. L. Wirin, of Bridge's defense, moved for a trial by jury, but Judge Edward T. Bishop denied the request on the ground that "the burden of determining the weight of evidence rests with the court and therefore a jury would be only an impediment in the case."

Michael G. Luddy has been assigned by the Los Angeles Bar association to prosecute.
