

# PET PARADE FOR KIDDIES PLANNED

### Roseburg Event Saturday Will Tie in With Local Talent Comedy.

Prizes will be awarded the kiddies bringing the most unusual pets, as well as the most beautiful dolls, dogs or other entries for the special kiddies pet parade which will be held Saturday afternoon.

Because there are few children's parts in the picture "Runnin' Wild," it was decided that a pet parade would be the best means of giving the children of Roseburg an opportunity of getting into the movies. Many of our local business houses are lending their support to make the pet parade a major attraction. Fittingly Saturday will be known as "Movie day."

Because many girls play with dolls instead of pets, there will be a doll section in the parade. Prizes will be awarded for prettiest dolls, largest dolls, most cleverly dressed dolls. In the animal sections, judging will be in many classifications such as largest animal, most unusual pet, most unattractive pet, cutest pet and other groups. Definite classifications will be announced later.

Girls or boys who do not have pets but have dolls are urged to compete for the prizes in this grouping.

A highly interesting feature of "movie day" will be the "shooting" of street scenes of the locality produced comedy "Runnin' Wild." On this day residents of this territory may witness the making of movies. Home talent for the pictures will be chosen in addition tonight and Thursday at the Indian theatre.

Many business houses have indicated intentions of offering special merchandise values to celebrate "movie day" and further reward residents of this area who come to town for the occasion. Rural families and residents of neighboring cities are urged by the producers to cooperate with their children in getting into Roseburg with their pets early enough Saturday to participate fully in the parade.

One of the principal objects of the celebration is giving opportunity for as many children to appear in the locally produced moving pictures as possible.

Baird has arranged for interesting film sequences as the children, dolls and pets gather in parade formation and complete following "shoots" of the parade itself. Before and after the parade, the cameraman will be engaged in filming scenes from "Runnin' Wild."

Expressing gratification at the generous response to his offer of free voice tests, Baird pointed out today that the time is short for other home talent to apply for such tests, and urges that those who contemplate being on hand for the auditions register today at the Indian theatre.

Last minute entries will receive as much consideration as coupons submitted earlier, but no audition blanks can be accepted after noon tomorrow. Any type of entertainment is acceptable for the tests, as explained.

## GLIDE

GLIDE, Sept. 19—The Glide school started Monday, September 12, with all new teachers except one. Mrs. Edith Kemp, teacher of the primary room, is the only teacher left from last year. Last year she taught the intermediate room and Miss Helen Wetherell taught the primary grade. Clementine E. Kriebler is the teacher of the intermediate this year. James Metz, taking the place of Ted Schopf, is teacher of the junior high and also athletic coach for the high school. Harold Tharp, taking the place of Lauren Buel, is the new principal and teacher in high school. Miss Alhilda Anderson, taking the place of Miss

Margaret Miller, is the other high school teacher.

The Glide school was started with a number of new improvements this year. The floors of the school building have been waxed and varnished, the shower rooms have been painted, and the gym floors have received a new coat of varnish.

Four new school buses were bought. The drivers are the same as last year, Herbert Connine, Keith Smith, Albert DeBernardi, and Claude Talcott.

Charlie Christensen is janitor of the school.

Three new subjects were introduced to the school this year, orientation, short hand, and public speaking.

The total enrollment for the school this year is ninety-nine students, making it about seven less than last year. There are twenty-seven students in high school and seventy-two in the elementary grades and junior high school.

Myron Vleck, son of Mr. and Mrs. C. E. Vleck, left Wednesday, September 14, for Monmouth college to enter there for his second year. Myron has been working for the forest service this summer, coming out of the mountains, Monday, September 12.

**LITTLE BLACK DOG KEEPS GOING ROUND AND ROUND**  
OMAHA, Neb. (AP)—Dan Griffin's little black dog keeps going around and around to the left faster and faster until it has to rest so it can go around again.

Unless the dog is tied up it spends its waking hours going around. It starts slowly and picks up speed until it makes 50 revolutions a minute. And it keeps this up for several minutes, then rests and starts again.

The only explanation advanced is that the dog has a "mental quirk."
