

DRY FIELD BOOSTS R.H.S. PROSPECTS

Indians' Hope for Victory Over Eugene foe Rests on Aerial Attack.

By MAYNARD BELL.

Prospects of a dry, fast field for tonight's football game between University high school of Eugene and Roseburg high have greatly cheered Coach Jim Watts, who has schemed all week on filling the ozone with flying footballs in a concerted attempt to snatch their first victory of the season and keep their record of never having lost to the Eugene school unblemished.

A muddy and slippery turf field at Lebanon last Friday evening, combined with a slippery ball, effectively bottled the Indians' vaunted passing attack which had clicked so effectively against the strong Medford team the week previous. It was late in the fourth quarter with the Berry-Pickers ahead, 6-5, before George Sanders, the Indians' deadly fliker, could connect with a receiver for any sizeable gain, finally nailing "Chub" Church for a 35-yard advance which placed the ball in scoring position, but once again the overhead game went into a tailspin as four intercept passes in succession ended their final scoring opportunity.

SKI CLUB PLANS OUTING AND LABOR

More than 25 members of the Uppuuga Ski club attended the special directors' meeting at the Roseburg chamber of commerce last night to hear the special report of the committee headed and to make plans for another all-day outing at Watson cabin, scheduled for Sunday, October 23.

Routine matters took care of the forepart of the gathering. Plans for a membership drive were announced and all members urged to use individual initiative to procure new members. It was reported to the group that work on the road from Little river to Wolf creek burn, a distance of four miles, had been completed by the forest service road crew with the assistance of trucks and men donated by the county and those hired by the ski club. All forest service equipment was taken out of the area late Wednesday.

The club plans on spending another Sunday at its ski area in order to complete the work scheduled. Effort will be concentrated upon wood cutting, laying out ski runs, and removing brush, logs and rocks from the general ski area.

Those planning on making the trip are urged to register at Hoy Hufham's sign shop immediately. Those who will be able to furnish transportation to the Red Butte road are also requested to register at Hufham's. A hot food dish and coffee will be furnished to the members by the club.

SWEEPSTAKES PICK LIST AMERICANS

DUBLIN, Oct. 21—(AP)—Americans held 25 of the 42 tickets drawn on three of the favorite horses today during the morning session of the silver anniversary Irish Turf Club sweepstakes draw. Each stands to win \$150,000 if his horse comes in first in the running of the Cesarewitch, each is assured of winning \$2,172.

Americans held exactly half of the 14 tickets drawn on Dubonnet, the favorite. They also held eight on Black Spook, and 10 on Snake Wood.

Total receipts of the 25th drawing, based on the Cesarewitch race Oct. 26 at Newmarket, England, were \$12,232,465, of which \$7,925,500 will go to prize winners.

The money was divided into fourteen prize sums of \$500,000 each. The 14 persons holding tickets on winning horses are to get \$159,000, those on second horses, \$75,000, and on third, \$50,000.

Drawers of one of 83 horses entered in the race but not among the first three will receive \$2,182 each. Of those entered, 24 horses were officially listed as probable losers.

The last horse drawn was Black Spook, one of five favorites and 15 to 1 in the betting. Other favorites were Dubonnet, 10 to 1; Solonaise, 15 to 1; Snake Wood, 100 to 1; and Snake Lightning, 11 to 1.

Also to be drawn today and tomorrow were 250 cash prizes of \$500 each and 50 cash prizes of \$500 each.

It killed one million injured, and about two billion dollars' worth of property damaged or destroyed on American highways annually.

Dear Mr. Goff, I wish to express to you and through you to The Farmers Automobile Inter-Insurance Exchange our sincere appreciation for the service rendered to us in connection with our automobile accident.

Our car which was insured with you was totally destroyed. Through you, your adjusters were on the job promptly, and as soon as I was able to attend to business, made it possible for me to secure full value of my loss.

I am glad to recommend your insurance service.

Very truly yours,
MARY E. HOCHRADEL AND A. J. HOCHRADEL

Charles "Chuck" DeAutremont of the visitors and Sanders for the locals, opposing each other.

Gossip from Lane county indicates that DeAutremont is a slippery, tricky open field runner and a constant threat so long as he is in the ball game. He has been particularly effective on reverses and wide-end sweeps and his play to night should provide plenty of worry for the Indians' end men and secondary defense. The campus streak also does most of the kicking and pass flinging for the visitors so should be one of the top hottest men on the field.

DeAutremont and Sanders should stage a real show on Finlay field tonight, and their personal duel should be considered as an added attraction to an already highly publicized gridiron show.

Coach Jim Watts announced that the starting lineup would consist of Church and Simon, ends; Albinus and Berry, tackles; Kerchner and Parrott, guards; Snow, center; Marshall, quarterback; G. Sanders and Dishman, halfbacks and Kennedy, fullback. Reserves which will likely see action are Wimberly, center; Seefeld, guard; Anderson, tackle; V. Sanders, halfback, and Baker, end.

A University of Washington football team, which hasn't won a game in four starts, hopes to furnish the Pacific coast conference with a real upset this week by dumping the title defending University of California at Seattle Saturday.

California, undefeated this season and apparently headed for another New Year's day session in the Rose Bowl, is listed as a 21 to 1 favorite to take Washington, but the bettors are going on statistics and not memories.

Last year the Huskies gave California a real scare by holding them to a 0 to 9 tie at Berkeley. Reports from the north indicate the Huskies, who have lost to Minnesota, U. C. L. A., Oregon State and were tied by Idaho, are going to make a determined effort to put a crimp in California's Rose Bowl plans.

Coach Warrs Bears.

The Bears, considered as good as the team that won national honors last year, have been warned by Coach Stuh Allison:

"Those Huskies are tough. They probably will give us our hardest game to date. Don't forget, we haven't scored against them in three years."

A victory for Washington would mean a lot to Coach Jimmy Phelan. He has been under fire up north for his team's poor showing.

Washington State will make an effort to break into the win column for the first time this season when it clashes with Oregon State at Portland. Last year the Cougars beat Oregon State 7 to 0. The University of Southern California is favored to average a 7-to-6 defeat given it by Stanford last season. The teams clash at Palo Alto with Stanford's lineup riddled by injuries.

A Klamath Falls-Medford high school game at Medford tonight looms as the outstanding battle of an Oregon slate swollen with important week-end games.

Klamath Falls will put its undefeated squad on the field under flood lights to match a powerful team that may be the answer to the Pelicans' state title aspirations. The game was expected to draw 600.

Another spotless record will be at stake when the unbeaten McLaughlin high team of Milton-Freewater takes its home field against Hood River this afternoon. Another big eastern Oregon game will be the meeting of La Grande and Pendleton at La Grande.

Lebanon will try to take the measure of another unsullied contender for the state title, West Linn, in a game today.

Bend, beaten once, will welcome Albany to the lava country and Salem, a strong Willamette valley contender, will visit McMinnville.

Toledo, one of the big name teams of the coast area, will play Junction City.

In the Portland league, Lincoln will match Commerce today, while Washington and Grant battle it out Saturday.

Idaho To Battle U. C. L. A.

The University of Idaho Vandals, undefeated thus far this season, invade Los Angeles for a bit of footballing with U. C. L. A., beaten by California and Oregon in conference competition.

An undefeated Santa Clara eleven is expected to take a heavy but aerial-minded University of Arkansas team when they tangle at San Francisco Saturday. Oregon, which lost its first conference game against Stanford last Saturday, is on the short end of the betting odds in its interconference tilt in New York against Fordham.

Sunday in San Francisco fans are looking forward to a full afternoon of football when St. Mary's favored Gaels mix it with a strong University of San Francisco eleven.

GRID GAME WILL BE BROADCAST TONIGHT

A play-by-play broadcast of the Roseburg Senior H-U-University high school game from Finlay field will be presented over KXNR tonight, beginning at 8:15, under the sponsorship of the Sunset Thrift store. The broadcast is the second play-by-play release of the year from Finlay field.
