

CALIFORNIA BEARS BEATEN BY TROJANS

Washington Wins Its 1st Conference Game, With Stanford as Victim.

SAN FRANCISCO, Nov. 7.—(AP)—Southern California's Trojans, enjoying their first piskin prosperity after many a lean season, worried just a little today about getting over their two remaining conference football opponents before taking all this Rose Bowl talk too seriously.

Leaders of the Pacific coast conference race with five victories, the Trojans will be top-heavy favorites in their conference clashes with Washington at Seattle Saturday and University of California at Los Angeles Thanksgiving day at Los Angeles.

Trojan supporters consider U. S. C. victories "in the bank" in those games because of the amazing power displayed last Saturday by Coach Howard Jones' boys in downing California, defending east champion, 12 to 7.

The only blot on U. S. C.'s 1938 slate is the 19-to-7 loss to Alabama in the season's opener September 24. The Trojans believe they are headed for the top now that their attack is clicking.

Huskies Beat Stanford.

While California was losing its first conference game of the season Saturday, Washington was winning its first, a 10-to-7 triumph over Stanford, U. C. L. A. smashed Washington State, 21 to 0, but Oregon was hard pressed to win from Idaho, 9 to 6.

While U. S. C. battles Washington, Stanford will play Oregon State college, idle last weekend, at Corvallis, California will meet University of Oregon at Berkeley and Washington State will face Idaho at Moscow; while at Los Angeles, U. C. L. A. will oppose Wisconsin in an intercollegiate affair.

PACIFIC U. UPSET IN CONFERENCE RACE

(By the Associated Press)

Pacific University cracked under the strain of its attempt to keep up with Willamette University and today was in second place in northwest college conference football standings.

An early-season build-up for terming this Saturday's game between Willamette and Pacific as for the 1938 title fizzled last weekend when an improved College of Idaho eleven upset Pacific at Caldwell, 14 to 7.

It was Pacific's first conference defeat of the season and knocked it out of a tie for first place with Willamette, idle last week.

Willamette, now a heavy favorite to win its sixth conference title and its 27th consecutive game, has been unscathed upon by conference opponents this season.

The best Pacific could do now would be to get a tie in the conference by upsetting Willamette.

11 TEAMS REMAIN UNBEATEN, UNTIED

NEW YORK, Nov. 7.—(AP)—Coming up to the middle of November, with some of the nation's mightiest football teams just getting up off the ground after having been straight-armed by last Saturday's onslaught, this week finds eleven teams of major rank still unbeaten and untied.

With the fall of such notable contenders as Pittsburgh and California, victims of Carnegie Tech and Southern California, respectively, the search for national championship contenders now must include the teams that have been tied or beaten once but have kept right on moving.

Without any effort to rank them other than to point out that some obviously don't play the kind of schedules that make champions, the unbeaten, untied outfits are:

East Dartmouth and Georgetown; mid-west, Notre Dame, Oklahoma, Iowa State, Western Reserve; South Tennessee and Duke; South-west Texas Christian and Texas Tech; Far West—Santa Clara.

Unbeaten but tied are Villanova, Boston College and Utah (tied twice). Losers of one game which still rank as top-flight contenders include Pitt, Holy Cross, Carnegie, Fordham (tied), Cornell, Minnesota, Michigan, Northwestern (tied), Alabama, Vanderbilt, Georgia; Baylor (tied), California and Southern California.

MONTANA DEFEATS GONZAGA TEAM, 9-0

SPOKANE, Wash., Nov. 5.—(AP)—The University of Montana Grizzlies concentrated the fireworks of the entire game in less than five minutes of the third period here last night to blast the Gonzaga Bulldogs, 9 to 0.

RAY BLADES WILL BOSS CARDINALS

ST. LOUIS, Nov. 7.—(AP)—The

job of putting the gas back into the gas-house gang rested today on the shoulders of one of baseball's earnest work horses—21-year-old Francis Raymond Blades, a fighting star in his prime, remarkable manager as playing days waned.

Appointment of the former outfielder as the 1938 pilot of the St. Louis Cardinals was announced yesterday by President Sam Breadon.

Blades succeeds Frankie Frisch, the Fieldman flush, under whom the gas-house gang became famous and then sprung serious lumps before his five-year tenure came to a sudden end last September.

A member of the famous Cardinal teams of 1926, 1928, 1929 and 1931, Blades is the first "wire-rope" of the far-flung Redbird farm "chain" to take charge of the parent club.

For the past six years he has been one of the most successful pilots in the class AA minor leagues. Twice he led Columbia of the American association to "the world series" championships, highest honor in minor league baseball.

ST. LOUIS, Nov. 7.—(AP)—Fred Haney, pilot of the Toledo Mudhens of the American association for the past two years and a former major league player, was named manager today of the St. Louis Browns for the 1939 season.

NO CHARGE TRAILS FIGHT IN K-FALLS

Grand Jury Doesn't Indict Ashurst or Hannan but Levels Criticism.

KLAMATH FALLS, Nov. 5.—(AP)—A Klamath county grand jury, reporting on its investigation into the bloody fist fight between Circuit Judge Edward B. Ashurst and County Clerk Walter P. Hannan six weeks ago, lashed out anonymously at the conduct of public officials today but failed to return an indictment against either of the principals in the memorable courthouse row.

The jury, in effect, left citizens to draw their own conclusions. Its report recommended that elected officials "refrain from entering into public matters not immediately pertinent to the duties of the office held" * * * leaving all executive and administrative matters to the county court.

It was recalled that on the morning of the Ashurst-Hannan battle, the circuit judge had criticized a bill for overtime turned in by Clerk Hannan.

The report also urged that the practice of paying overtime to salaried county employes be discontinued and, in its closing paragraph, expressed belief that "the best interest of the general public ceases to be served when any elected officer refuses to make suitable changes in personnel to the end that all county departments function as a harmonious unit."

This comment was interpreted as an indication the jurors felt that possibly Hannan, a deputy county clerk, could have been assigned to some other post than circuit court clerk after the fight to relieve tension.

It was understood the report concluded the grand jury's investigation into the courthouse episode.
