Oddities Gleaned From Day's News
(By the Associated Press)
Balance
CLEVELAND—Elmer Kotulik, 29, performed the best juggling act of the week.

He was sitting in the rear seat of a sedan with a bowl of goldfish on his lap when the car was involved in a collision.

Kotulik was hurled over the front seat, but as he sailed forward he held the fish bowl tightly against his chest's collar.

Result: Kotulik, bowl, water and fish remained intact.

Canine Larceny?
ST. LOUIS—"Butch," St. Louis' only "news hound," is missing—and his owner had two reasons today for wanting him back.

Nawaboy "Noisy" Kitfay, spent several months training the dog to stand at the corner with a money-changer strapped to its side, allowing customers to make their own change.

Then both dog and money-changer disappeared.
