POET'S CORNER

THE SOUL OF THINGS

By G. M. LEEPER

I love the beauty
In the soul of things
With all it takes
And all it brings.

I love moments alone,
Unscathed by bitter thought,
Far from everything
Where life is not.

I love the moaning wind
That restless thing
And any passing fancy
It may bring.

I love the dreary night
Across the window sill,
Hushed and silent,
The moon above the hill.

And one small cloud
That drifted alone,
Yes, I love those things
For reasons of my own.

How To Relieve Misery of Your CHEST COLD

If you are suffering from a miserable chest cold, try this: Massage throat, chest, and back with Vicks VapoRub at bedtime. Then spread a thick layer on chest and cover with warm cloth.

VapoRub goes right to work to bring relief—two ways at once. (1) Direct through the skin like a poultice; (2) Direct to the irritated air-passages with its medicated vapors.

This poultice-vapor action loosens phlegm—clears air-passages—checks tendency to cough—relieves local congestion.

Often, by morning the worst of the cold is over.
