

R. H. S. HOOPSTERS
READY FOR BATTLE

Myrtle Point, Spurred by Victory No. 1, Will Be Opponent Tonight.

The most surprising basketball team in district No. 8 at this particular stage of the hoop race is none other than Myrtle Point high school, the Indians' opponent in tonight's game on the senior high court, scheduled for 7:45 o'clock.

The reason the Bobcats are considered the "problem child" by the teams in the circuit is this: up to a week ago every team on Coos had done its part in slinking the animal to make it the conference floor.

That all that is changed now. Tuesday night of this week Myrtle Point shook off its terrible slump and proceeded to take a fall out of the Coos county league leader, North Bend, in a wild game, 27 to 24, something no other team in that part of the state had been able to do.

It is an entirely new Bobcat quintet that meets Coach Jim Watt's eager tonight. They have tested victory and are out to show their loyal backers that their win over the Bulldogs was no "flash in the pan."

Coach Watt's underdog eagles have been handicapped in practice the past week by the absence of two regulars, Jim Finlay and Earl Ward, both out with bad colds.

With the starting lineup thus weakened somewhat, the local Redskins will be forced to play at their best against Myrtle Point, a team which is definitely out running for them.

MYRTLE POINT FIVE
HITS WIN COLUMN

North Bend Quintet Beaten in Upset; Marshfield Downs Coquille.

Myrtle Point high school, kicked around unmercifully by every team in Coos county this season, entered everything on the basketball ledger last Tuesday night when they pulled off the biggest upset of the season by defeating North Bend, 27 to 24, in their first conference win.

The Bobcats, led by a usually 13 points in two games by Coquille and Marshfield, came back with a vengeance against the heavily-favored Bulldogs to smother at the start of the second quarter a lead which they never relinquished.

On a Couquille during the same evening, Marshfield took 18 second straight win over the Red Devils, 26 to 15. The Pirates had previously defeated Coquille, 19 to 16, on their own court. Marshfield was out in front throughout the contest, leading 15-8 at the half.

HIBBARD KAYOES
CAPUTO IN ROUND 5

Substitute Headliner Gets Broken Nose; Semi-Final Is Knockdown Duel.

Larry Caputo, 165, of Portland, lost to Lemar Jack Hibbard, 160, Klamath Falls, in the main event of a fight card here last night marking the resumption of boxing under American Legion sponsorship after a lapse of more than three years.

Caputo, substitute for Buddy Peterson, Portland, middleweight champion of the northwest, who was reported ill with the flu, plainly was not in condition. Fans were advised that he had taken the bout on short notice and while he showed plenty of boxing ability, he was outboxed by Hibbard, who has been dubbed "the Tony Galento of the northwest."

Caputo, former Pacific coast welterweight amateur champion, floored Hibbard with a straight right to the face early in the second round, but it was his last flurry.

Fat Handicaps Caputo During the first round of the scheduled ten-round struggle, the two boys boxed easily. Caputo early in the second round, uncocked a hard left jab and a right cross which bounced Hibbard to the canvas, where the longer took the count of six.

In the third round Hibbard began pounding Caputo about the Portland boys' midsection, which carried considerable weight. Caputo was hit by a straight right and a left jab, and he was forced to retreat to the ropes.

Caputo went down three times in the fourth round, taking the count of nine when he was floored with a straight right to the jaw, and again for counts of eight on two occasions when he was rocked off his feet by Hibbard's terrific punches to the body.

Caputo's reluctant bombardment, Caputo early in the fifth round, and went down from a straight right to the face as Hibbard applied the finishing blow.

Joe Corbett, Roseburg boxer and wrestler, who refereed the semi-final and main event, challenged the winner of the headliner prior to the start of the bout.

The preliminary between Johnny O'Leary and Ray Roday furnished plenty of action for the evening. Roday enjoyed an advantage in reach, but O'Leary was much the better in the exchanges at close range.

Preliminary Results The preliminary, refereed by Pat Pabelford, started out slowly. In the first bout Lemar Franke, 144, closed on a decision over Jack Howard, 149, in a fight which saw both boys near exhaustion at the final bell.

Homer Smith and George Dew each 160 pounds, started out well, but tired quickly and ended in a walk away had a nice left jab, which he used to counter Smith's right hand.

The third preliminary, between Radio Liles, 144, and Pedro Sallivan, 143, was this evening's feature of the evening's proceedings. Both shot leather at high speed and exhibited a fair amount of boxing skill, although both were tired at the final bell.

another program in the near future. The army arena was well filled and the enthusiasm shown over the return of boxing to Roseburg was sufficiently evidenced to warrant continuation of cards at suitable intervals, according to the match-makers, Rudy Ritzman and Pat Pabelford.

PAPOOSES TO TAKE
ON MEDFORD QUINT

Roseburg Junior High Five Will Try Tomorrow to Regain Win Column.

Coch Hod Turner's junior high hoopers, midway through their hoop season, will open the final half away from home tomorrow night when they meet a strong Medford junior high quintet on the Medford floor.

Coch Turner has been bringing the youngsters along slowly, with gratifying results. Even though the Papooses lost to a much smoother and more experienced Ashland quintet by a large score, it was not an one-sided as the score would indicate.

Long workouts the past week have ironed out a lot of offensive and defensive weaknesses and the Papooses should be ready to give Medford a real battle all the way.

The probable starting lineup will likely be the same that started against the Grizzly Pups—Norm and Schirmp, forwards; Hughes, center; Slattery and Anderson, guards; Rutter, Penny, Campbell and Neal will round out the traveling squad.

No American governmental financial assistance was involved in the French orders, he said. No Barrier to Orders Asked why a French observer was aboard a bomber plane being tested for the army when it crashed in California, the president replied the war department had no objection to other countries ordering planes from private manufacturers. He added the plane that crashed had not been accepted by the government.

Mott Would Prod Hull A republican attempt to bring Secretary Hull before a congressional committee to clarify American foreign policy in view of proposed military improvement of Guam encountered strong opposition today.

Representative Mott (R., Ore.) launched the idea in the house naval committee during hearings on the \$45,000,000 naval air base program, which includes a \$5,000,000 item for airplane facilities on Guam.

Mott contended the country should be informed as to just what the navy had in mind with regard to Guam.

"Do they intend to fortify it or not?" he asked. Chairman Vinson (D., Ga.) opposed Mott's suggestion that Hull
