By LOTUS KNIGHT PORTER

(Continued on page 2.)

Foreign Wars made it evident on Wednesday that their members are conscious of the principles of the constitution of their organization.

Thursday the American Legion auxiliary sponsored a birthday party for all the men in the hospital here in the month of February.

The Thursday evening picture show gave us a variety of films, and each one interesting. If we had been in a town theater, where shows are run continuously, we would have sat through "Mother Goose Goes Hollywood" a second time.

The traditional little bird, which is credited with knowing news before it happens, is twitting of some very special treats in the way of diversion dated in March, so we are sitting tight, through appreciative of all the good things, big and little, which have already been ours.
