

HONEY MAIDS GIVE ZEST TO RECIPES

Something different yet with a bit of fond remembrance coming up in its spice fragrance is this—
Brown Betty De Luxe

Six tart apples, 1 cup water, 1 cup sugar, 1 teaspoon cinnamon, 1 cup raisins, 1 cup chopped, 1 cup Malt Graham crackers finely crushed, 1 teaspoon grated lemon rind, 3 tablespoons chopped pecans, 1 cup butter.

Paro, core and quarter the apples. Add water and cook covered until almost tender. Stir in sugar and cinnamon. Pour into buttered shallow baking dish. Sprinkle with crumbs, sugar, rind and nuts. Dot with butter. Place in a moderately hot oven (400 degrees F.) until top is brown and crusty, about 30 minutes. Serve hot or cold with whipped cream. (6 portions).

Even in "the good old summer time" you'll enjoy serving this Honey Malt Fruit cake—made in the refrigerator if you please. So good with a glass of frosted chocolate or

any frozen dessert:

Honey Malt Summer Fruit Cake
One-half lb. Honey Malt graham crackers, 1 cup dates, chopped, 1 cup raisins, chopped, 2 tablespoons chopped orange peel, 1 cup citron sliced very thin, 1 teaspoon grated nutmeg, 1 teaspoon ground allspice, 1 cup cut marshmallows, 2 tablespoons chopped candied cherries, 1 teaspoon cinnamon, 1 teaspoon ground cloves, 1 teaspoon salt, 1 cup nut meats.

Crumble crackers rather fine, soften currants in hot water and drain. Add spices and salt to dry cracker crumbs and mix, then add other ingredients. Marshmallows should be cut into very small pieces, soaked in cream and added last. Mix thoroughly until cracker crumbs are all moistened. Pack into square tin or mold lined with waxed paper and let stand in refrigerator twelve hours. Slice thin and serve with or without whipped cream or hard sauce. Makes two pound loaf. Will keep in refrigerator several weeks.

So quick and easy that your little daughter will love making these—

Applesauce Stacks
Thirty-six Honey Malt graham crackers, 2 cups of sieved applesauce, sweetened to taste, 1 pint

of whipping cream.
For each serving, put 4 crackers together in a little stack with cold applesauce spread between. Chill in the refrigerator 2 to 4 hours. At serving time, frost each stack with whipped cream, spreading sides and all, and heaping an extra little mound on top.

When you want something different, that won't wreck the budget, do try this:

Honey Malt Refrigerator Cake

Mix one cup Honey Malt graham cracker crumbs, about nine crackers, with 1 cup melted shortening and 1 teaspoon salt. Use a part to line a lightly greased mold. For the filling, soak 1 tablespoon granulated gelatin in 2 tablespoons cold water. Make a custard over hot water of 1 cup lemon juice, 1 cup sugar and 2 egg yolks. When thick, add 1 teaspoon grated lemon peel and the softened gelatin. Cool. Fold in 2 well-beaten egg whites, 4 cup minced dates, 4 cup minced figs and 2 tablespoons chopped walnuts. Pour in the lined mold and sprinkle remaining crumbs on top. Chill for several hours and unmold.

Egyptian frescoes show pictures of ancient Egyptian weavers with their loom, and these frescoes date back to 3000 years before the birth of Christ.

EXCHANGE FIRM UNDER U. S. PROBE

WASHINGTON, April 26.—(AP)—The securities commission ordered a hearing today to determine whether Walston and company should be expelled or suspended from membership on the New York stock exchange, the San Francisco stock exchange and the Chicago board of trade.

The commission said it had reasonable grounds to believe the company "willfully" made "false and misleading" statements in an application for registration as an over-the-counter broker and dealer.

The commission also said the company, whose headquarters are in San Francisco, "willfully" failed to report and correct, by means of a supplemental statement, the inaccuracy of the information furnished in such application.

The order for a hearing on May 8 in San Francisco said the company in its application represented that Vernon C. Walston, William Sherman Hoelscher, Charles de Y. El-

GRAHAM CRACKERS, MILK - IDEAL PAIR

Sound good? It is good, and better yet, good for you!

These oven-fresh, honey-flavored squares, full to each corner with those nutritious elements that make for sturdy bodies, and which provide the quick energy we all need, make up a twosome that is fairly reeking with wholesomeness when served with fresh whole milk.

Proof? That's easy. In Honey Malt Graham crackers, besides the energy giving sugars—which by the way are the simple ones that are so easily digested—we get calcium, phosphorus and iron. When these important elements are supplemented by the protein, vitamins and other nutrients in fresh dairy milk, we've gone a long way toward completing our daily nutritive requirements.

And it's so easy to get them into

the daily diet. See how active, growing boys and girls "go" for them. There's nothing better for the after school "pick up" than a glass of ice cold fresh milk or chocolate milk served with these small squares of natural graham flavored crunchiness. You can make them even more tasty and healthful by spreading them with jelly, fresh sweet butter, peanut butter, or honey.

But, let's not forget the grown-up boys and girls who need and like these healthful energy foods as much as the younger folks. Fresh baked graham crackers and ice cold milk make up a nutritious and tasty midnight snack which isn't too hard on the ice box. Then too, we all (young and old) need a new lease on life in the mid-afternoon of these "spring fever" days. And

the combination of delicious graham crackers, plain or with any number of spreads, and an ice cold glass of milk is one of the most pleasant ways of getting just that—energy!

MT. VERNON, Ore., April 25.—(AP)—Eastern Oregon's seventh case of spotted, or tick, fever was reported here today. Mrs. Marion Anderson, daughter of Mr. and Mrs. Benton Ingle, is seriously ill of the disease.

PORTLAND, April 26.—(AP)—Thieves pulled one of the biggest jobs on record in Wasco county. Sheriff Harold Sexton of The Dalles notified Multnomah county authorities a planer weighing between seven and ten tons and a one-half horsepower gasoline engine were missing from a Wapinitia cutoff sawmill.
