

DOUGLAS SCHOOLS ENTERED IN MEET

ROSEBURG, Ore., May 11.—(AP)—Several hundred high school track and field stars from Lane and Douglas county schools will invade Eugene Friday afternoon for the annual district 4 track and field championships, first and second place winners in each event qualifying for the state championships here next week-end.

University (Eugene), Eugene, are favored for the team title, but several B class schools have several potential point winners—particularly Mohawk high, winners of the recent Lane county B school track championship.

The meet will be held on Hayward field, scene of last week's championships. The outstanding entrant in the district qualifying is Charles Elliott of Eugene, state shot put champion and a lad who has already shattered the state mark held by Bill Blackledge of Corvallis on several tries this season.

CLEVELAND EVENT TO HONOR MOTHERS

Sunday, May 14, the Cleveland Community church and Cleveland school will collaborate on the day's activities and celebrate Mother's day with a combined school and church program. In a speech in the morning, following Sunday school, the annual pot-luck school-closing picnic will be held on the school grounds at noon.

An original Mother's day program written in verse by Mrs. John Barry Sr. will be presented, together with songs and readings. A ball game will be one of the features of the afternoon. Everyone is welcome.

At a date to be announced later in the summer, the Sunday school picnic for regular attendance at Sunday school will be awarded to those attending the Cleveland Community church.

SUPT. CAMPBELL GETS N. E. A. POST

W. M. Campbell, superintendent of Roseburg schools, has accepted appointment on the 1939 convention committee of the National Education association, whose annual sessions will be held in San Francisco July 2 to 7. Mr. Campbell is one of the all-western committee made up of prominent educators from the eleven western states.

The responsibilities of the teaching profession to the general public will be the theme of the 1939 convention of the N. E. A. Questions of importance will be brought to the meeting from various sections of the United States. Some 12,000 to 15,000 delegates and visitors are expected to attend this, the greatest educational gathering of the year, and to tour the west after its close.

BOB MIDDLEBURG TRIES AVIATION

Bob Middleburg of Marshfield, son of Mr. and Mrs. M. F. Middleburg of this city, was the first member of the newly organized Goose Bay flying club to take over the controls of the organization's new Piper cub monoplane for dual flying instruction under the expert tutelage of Charles Meers, Portland aviator and instructor for the club, and announced his first 20 minutes of flying time.

Middleburg was the first of six members of the group to take instruction as their new plane was put into service.

BACKACHE, LEG PAINS MAY BE DANGER SIGN

If backache and leg pains are making you miserable, don't just complain and do nothing about them. Nature may be warning you that your kidneys need attention.

The kidneys are Nature's chief way of taking wastes out of your blood. Most people pass about 2 pints a day or about 2 pounds of waste.

Prepared as easily prepared with sparkling water, drinking shows them they are something wrong with your kidneys or bladder.

If the 15 miles of kidney tubes and filters don't work well, poisonous waste builds up in the blood. These poisons may start nagging backache, rheumatic pains, leg pains, loss of sleep, and finally, getting up at night, urinating, and passing out the waste, blood, and poisons.

Don't wait. Ask your druggist for Doan's Pills, used successfully for 30 years for over 40 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from the blood. Get Doan's Pills.

Daily Devotions DR. CHARLES A. EDWARDS

"I am the true vine," John 15:1. This is a good world. It is full of good people not quite overflowing, but still there is a big heart of devoted Christian people. They are not restricted to any church, community, or family. There are many had people everywhere, but the number of wicked is not as large as one might conclude when reading what is termed "news." Just take a look about you. How many criminally-minded people have you ever known intimately? Society is not what Christ would have it, but it is not always as wicked as it seems. Evil is a power because the wicked are so active. A lie will travel around the world before truth can start. Righteousness may be slow, but it is deliberate and sound and in the end will win. Inspiration and strength are to be found with those who live in constant fellowship with God. Dear Father, help us to cooperate with Thine in the building of a better world. May others be healthier, happier, more Christ-like, because I am alive. Amen.

his home for many years, and will be in charge of the local district for the New York Life Insurance company. It was announced today. He succeeds to the agency formerly held by Bernard A. Young, who recently moved to Portland to take the position of agency organizer for the company.

ACORN CROP LARGE DESPITE ARIDITY

The current drought may be causing injury to many crops, but Oak trees in the Coles valley district have never shown such a heavy set of acorns as at present. Guy Cole, a well known resident of Coles valley, declared here today. Mr. Cole brought into town on today heavily laden with acorns and stated that the samples shown were not selected but were typical of the acorns set on trees in a 500-acre grove on his property.

The acorns, he said, will pro-

FOREIGN POLICY CHANGE OPPOSED

SAN FRANCISCO, May 10.—(AP)—The General Federation of Women's clubs by acclamation today condemned "legislation calculated to weaken or destroy" the flexibility of foreign policy in the hands of the president.

The resolution was the first of 12 under consideration by a council of 1,000 delegates representing a membership of 2,000,000.

"We believe that legislation which seeks to determine diplomatic strategy in advance might prove to be contrary to the common good," the resolution said.

The council also voted to endorse governmental participation in the inter-governmental committee on political refugees, and to aid in preventing "the growth of intolerance, injustice or religious discrimination."

CATHOLIC PAGEANT HONORS PIONEERS

VANCOUVER, Wash., May 11.—(AP)—High Catholic churchmen and thousands of persons of great and small position paid devoted tribute yesterday at this most historic city of the northwest to the early pioneers who brought Catholicism to the Oregon country a century ago.

A pageant as alive as though it were set in the Columbia river forest surrounding the Port Vancouver of 1825 redramatized the landing of Father Francis Norbert Blanchet and Father Abbe Modest Demers, the men of God who carried the cross of Christianity to the Pacific Northwest.

The flash of newspaper cameras, the whistle of a passing train and the silent throng of spectators in the background merged for the moment into the shadow of oblivion while the federal theatre project of Seattle lifted the pioneer past out of the history books.

Dr. John McLoughlin, the famous Hudson's Bay company factor, rode south through the gateway of the old stockade, inquisitive Indians came to life to join the handful of whites to greet the priests from the land behind the mountains.

The Most Rev. Amleto Giovanni Cicognani, papal representative, occupied the seat of honor at the pageant. Near him were Bishop Gerald Shaughnessy, Seattle; Bishop Edward D. Howard, Portland; Bishop Charles J. White, Spokane; other churchmen and Governor Clarence Martin of Washington. Five thousand persons witnessed the drama.

A pontifical high mass was said today at St. Paul, Ore., followed by memorial services at the grave of Archbishop Blanchet. Later a pontifical benediction took place at the McLoughlin shrine in Oregon City.
