FROCK'S TUCKED WAISTLINE IS SMART AND FLATTERING

By CAROL DAY

No wonder the tucked waistline is so much in favor! It's the most flattering detail imaginable! As you see from the sketch in Pattern 8427, the tucks draw in your waistline to doll-like slimness, and make it look supple, besides. Also, they cooperate with the gathers just under the shoulder yoke to create bosom fullness. And they give graceful fullness to the skirt. It's such a simple dress, one of those inspired designs that achieve a lot of chic and flattery by very few details.

If you're not very experienced at sewing, this is a good pattern to begin on, because it's absurdly easy, and looks so extremely well when finished.

Try it right now, in silk print, thin wool, flat crepe or sheers. Just follow the step-by-step sew chart included in your pattern.

Pattern 8427 is designed for sizes 32, 34, 36, 38, 40, 42 and 44. Size 34 requires 4 5/8 yards of 39-inch material.

The new SPRING AND SUMMER PATTERN BOOK, 22 pages of attractive designs for every size and every occasion is now ready. Photographs show dresses made from these patterns being worn; a feature you will enjoy. Let the charming designs in this new book help you in your sewing. One pattern and the new Spring and Summer Pattern Book—25 cents. Pattern or book alone—15 cents.

Send your order to the News-Review, Pattern Department, Roseburg, Oregon.

SIDE GLANCES

By George Clark

"I'm going to ask the boss for a raise tomorrow. Do you think I should wear my transparent blouse or that efficient looking linen?"

"The Return of the Cisco Kid"

Cesar Romero and Warner Baxter in a scene from the picture "The Return of the Cisco Kid," which will begin a four-day engagement Wednesday at the Indian theatre. Also in the cast are Lynn Bari, Henry Hall, Kane Richmond and Robert Barrat.

Parker, Paul Cramer, W. W. Austin, A. M. Bowen, H. Morgan and Phil Varley, acted as judges of the court and presented awards. H. Salter, scout executive for the Wallamet area council, presented Paul Parker with insignia as junior assistant scoutmaster; Eugene Sneed with insignia as senior

M'KENZIE PASS IS ONCE MORE CLOSED

EUGENE, Ore., May 29.—(AP)—The McKenzie pass opened to traffic May 24, was closed again today.

From the office of the state highway department here, this morning came word that the road, between mileposts 70 and 79.5 is too soft to bear travel and that Eugene-Bend motorists will be detoured to the Clear Lake-Santiam pass route. Eastbound cars will leave the McKenzie route at Bellvue springs.

Reopening of the pass will not be until the road is dried by warm weather. The Clear Lake forest road adds about 10 miles to the distance to Bend is a satisfactory but slower route.

ELKTON

ELKTON, May 29.—A. B. Haines of Brownsville is visiting relatives and friends at Elkton, Oregon, Mr. and Mrs. Charles Snook, of Portland, are visiting the home of Mr. and Mrs. S. A. Fenley.

A. R. McDonald was called to California Thursday by the illness of his mother, Mrs. C. F. Parker. Claude McDonald took him to Eugene where he boarded the train.

The students of Elkton high school went to Tahkenitch lake for a picnic Thursday, Friday was the last day of school.

The students of the Haines school met with the students of the Elkton grade school at Elkton Thursday for a picnic. In the afternoon a short program was enjoyed. During the program diplomas were given to Barbara Billick, Paul Masters, Stanley Hancock, Jay Griffith and Arline Noble who have finished the eighth grade.

Mrs. Anna Hudson is in Seattle visiting relatives. Mrs. Rose Henderson, Mrs. Ina Henderson, and Miss Marybel Henderson were shopping in Roseburg Wednesday.

Among the Elkton people who went to Drain Thursday evening to attend the high school graduation exercises were Mrs. Lena Bensen, Mrs. Agnes Hudson, Miss Evelyn Hudson, John Benson, Miss Faye Bensen and Walter Sanders.

It's so easy now to
CHANGE PING TO PURR
—by cleaning out carbon as you drive!

Triton gives you the finest type of lubrication money can buy...plus freedom from carbon knocks!

No one likes to drive a car that "pings." It's not only annoying to you and your passengers—it doesn't do the motor any good.

You can get rid of annoying and damaging carbon ping easily and inexpensively with Triton Motor Oil. For Propane solvent refined Triton forms so little new carbon it actually refines your motor to burn away carbon deposited by other oil! The motor generally loses its carbon ping within 2 to 3 thousand miles!

You Benefit Many Ways

When knocks go you get better gas mileage, smoother performance, increased power. You save on repairs and operating costs. Switch to Triton next time you refuel!
