SACRED CONCERT OPEN TO PUBLIC AT M. E. CHURCH FRIDAY NIGHT

Today's Pattern

USE PLAIN RIBBON TO TRIM YOUR NEW FROCK IN PRINT BY CAROL DAY

It will give you a spring-like feeling of newness and impetus to have a ribbon-trimmed frock like Pattern 8452, and you can make it easily.

There are just seven simple steps in the detailed easy chart that comes with your pattern.

The lines have a detailed effect upon your figure, too. Shaved shoulders give the bodice a soft, full-bodied look. The circular skirt is shirred, and that pointed waistline section flatters your diaphragm.

This fashion will be particularly lovely in print, with pleated and ribbon to accent the coloring. Choose flat crepe, gauze or chiffon. It's such a becoming dress that you'll doubtless make it up more than once.

Pattern 8452 is designed for sizes 12, 14, 16, 18, 20, 22, 24 and 26. Size 14 requires 4 1/2 yards of 39-inch material; 22 yards ribbon to trim, and 13 yards for belt.

The new SPRING AND SUMMER PATTERN BOOK, 32 pages of attractive designs for every size and every occasion is now ready. Photographs show dresses made from these patterns being worn; a feature you will enjoy. Let the charming designs in this new book help you in your sewing. One pattern and the new Spring and Summer Pattern Book—25 cents. Pattern or book alone—15 cents.

Send your order to the News-Review, Pattern Department, Roseburg, Oregon.
