Today's Pattern

WEAR THIS FULL-RUFFLED SLIP WITH SHORT-SKIRTED FROCKS

By CAROL DAY

The slip in Pattern 8516 is especially designed to wear under the new dresses that hug you slimly at the waist and flow to exaggerated fullness, flared or circular, at the hem. Another smart idea borrowed from the ray Nineties when underthings were frilly and feminine. It has a beautifully fitted bra-top that gives a trifle of support to the bust, and is cut to a low evening line in the back.

Make yourself a whole wardrobe of slips like this, omitting the ruffle on those you plan to wear with tailored tops. Treat yourself to some luxury materials—pure dye silks or satins, and lovely smooth linens to wear under cottons. You can do it economically with the money you save by making your own.

Pattern 8516 is designed for sizes 12, 14, 16, 18, 20, 42, 44 and 46. Size 14, with ruffles, requires 2 7/8 yards of 39-inch material. Without ruffle 2 1/2 yards.

The new SPRING AND SUMMER PATTERN BOOK, 32 pages of attractive designs for every size and every occasion is now ready. Photographs show dresses made from these patterns being worn; a feature you will enjoy. Let the charming designs in this new book help you in your sewing. One pattern and the new Spring and Summer Pattern Book—25 cents.

Pattern or book alone—15 cents.
