FROCK SHOWS SIMPLE THINGS CAN ALSO HAVE DISTINCTION

By CAROL DAY
Simple as it is—and, of course, you want simple, easy-to-wear things in the summertime—this design, Pattern 8530, has great distinction, and the softness appropriate for club affairs, afternoon parties and luncheons. It's very slenderizing, for it has a slim, padded skirt, a small waistline, smooth shoulders, and a gathered bodice that fits beautifully over the bust. The square neckline has a dip in the front, to make it more becoming, and a softly draped, lengthening jabot. The full loose sleeves look pretty and cool.

The dress will be lovely in chiffon, georgette, voile or small-patterned silk print with lots of white in it.

Pattern 8530 is designed for sizes 34, 36, 38, 40, 42, 44, 46, 48, 50 and 52. Size 38 requires 4 1/2 yds.
