## Today's Pattern

8531

TWO USEFUL PLAY SUITS CAN COME FROM THIS ONE DESIGN

The play suit is merely an overall, with a bib in the front and strap around the neck, to make sure it stays on.

The little button-front pinafore has a hint of the princess in its brief lines. Puff sleeves, a small round collar and a lot of braid combine to make it pretty as a picture.

All in all, this design, Pattern 8531, really gives you two very useful styles in one. The play suit, of course, may be worn with or without the pinafore on top.

Make several of this smart little duo. You can do it easily, with the new chart included in your pattern, and inexpensively. Gingham, linen, percale or calico are all practical fabrics for this design.

Pattern 8531 is designed for sizes 2, 4, 6 and 8 years. Size 4 requires 24 yards of 35-inch material for pinafore without nap; 1 yard for collar; plus 1 yard for contrasting collar; 24 yards of braid.

The new SPRING and SUMMER PATTERN BOOK, 22 pages of attractive designs for every size and every occasion is now ready. Photographs show dresses made from these patterns being worn; a feature you will enjoy. Let the charming designs in this new book help you in your sewing. One pattern and the new Spring and Summer Pattern Book—25 cents. Pattern or book alone—15 cents.

Send your order to the News-Review, Pattern Department, Roseburg, Oregon.
