

CINCINNATI BOOSTS LEAD IN NATIONAL

Walters' 5-Hit Pitching Blanks Giants; Yankees Lose 6th Straight.

By JUDSON BAILEY
Associated Press Sports Writer
A week or two ago it would have been almost too fantastic to believe, but today the National league leader has a bigger margin than the first place team in the American league.

The Cincinnati Reds, opening their eastern assault with a 7-0 shutout of the second place New York Giants yesterday, expanded their lead to 6½ games, while the collapsing New York Yankees saw their decline to 5½ over Boston in the American league.

The Boston Red Sox took advantage of this opportunity by downing the Cleveland Indians, 6-5, in ten innings.

The whole program in the American league yesterday presented some of the sloppiest baseball of the season.

There were 18 bases on balls and 21 hits in the Yankees' melee. With the Yankees leading 4-1 going into the last of the eighth, Alcy Donald, the undefeated rookie ace of the champions, walked three men and was yanked. Then, with two out, three relief hurlers let in nine runs and let out the ball game.

Feller Routed
Boston belted Bobby Feller out of the box with a five-run flurry in the fourth inning of their night game, then gave off five runs back to the Indians in the ninth. The Indians refused to accept the proposition, however, and in the tenth Harder walked three men and then gave a single to Floney.

The Chicago White Sox ripped out an eight-run lead in the first three innings against the Philadelphia Athletics and then lost 12-10 to a belated 22-hit bombardment by the A's.

Similarly the Washington Senators took a two-run hit on the St. Louis Browns in the second inning and then were nosed out 4-3 as Vernon Kennedy settled down to an eight-hit pitching performance.

There were no such monkey-shines in the stud minor circuit.

Walters Hurls 5-Hitter
Cincinnati's important victory was achieved on the five-hit pitching of Walters, the sinker specialist who once was an infielder for the Phillies.

With Billy Herman hitting a homer and a triple, the Cubs finally forged from behind to win 7-5 over the Phillies.

The St. Louis Cardinals and Boston Red Sox divided a doubleheader, the Redbirds snatching the first 5-3, and the Bees bagging the second, 3-1, on the six-hit pitching of MacFayen.

Brooklyn and Pittsburgh were tie.

Elks, Sutherland Take Ball Games
The Elks defeated Hinddale's and Sutherland in softball games played last night on Friday field.

Sutherland bunched six runs in the second inning and four in the fifth, while the guardians made five tallies in the fourth inning, as the Sutherland team beat the solder 10 to 5.

Score: R. H. E.
National Guard 5 11 2
Sutherland 10 5 1
Batteries: Willert and Armstrong; Rountree and Goff.
A five-run rally in the first inning put the Elks out in front of Hinddale's Olers as the game started, and the advantage was maintained throughout the contest as a result of continued heavy hitting.

Future Big Leaguers

Possibly a future Babe Ruth, a Lon Gehrig or a Johnny Vander Meer may result from the group of youngsters shown above as they take part in the American Legion sponsored baseball program, a part of the supervised play project maintained jointly by the Roseburg school district WPA and Umpqua post of the American Legion. Fifty-two boys are regularly enrolled for the Midget division, in addition to the Intermediate and Juniors. Baseball is coached by Jim Watts, high school athletic mentor, who is supervisor of the recreation program. The Midgets take their baseball seriously and when the pitcher and catcher hold a conference such as the one above between Pitcher Randall Young and Catcher Jimmy White, one may be sure that it has nothing to do with a date with a blonde and her girl friend in the grandstand.

series win in the four games played.

San Diego's sixth-place Padres halted the eight-game winning streak of the league-leading Los Angeles with a 9-5 win at Los Angeles, bunting three times in the first frame and five in the fifth.

At Seattle, the second place Seattle Rainiers shored across seven runs in a wild third inning to Nick Hollywood, 12 to 5, and narrowly averted a game and a half of first place.

These consolation matches the game Lawrence Seattle outfielder went out in the third after striking his back at the plate. Shortstop Marvyn of Hollywood was spotted in the fourth inning, and Empire Edwards was dropped when hit by an arm ball tossed from the stands. Edwards thrashed the water.

Portland hammered 18 hits off John Fallow while Hilscher held the Oaks to five. The Beavers bunched five hits for four runs in the fifth, and three for three in the eighth. It was the Beavers' third

BILLY CONN GIVEN NOD OVER BETTINA

Questionable Verdict in 15-Round Fight Carries Light Heavy Title.

By GAYLE TALBOT
NEW YORK, July 14.—(AP)—Melio Bettina blew his light heavy-weight title to Billy Conn of Pittsburgh last night in Madison Square Garden. The judges voted unanimously for Conn at the close of 15 hard rounds.

The Associated Press scored the bitter dead even—seven rounds for each fighter and one round even. By that tabulation, Melio would have retained the crown that the New York State Athletic commission bestowed upon him six months ago.

Melio, who had been badly under-rated, came out of the scrapping bitterly. His manager, Jimmy Grippo, was raving about having been denied "impartial officials."

Earlier in the day he had asked that only one of the officials be of Irish descent, and he evidently thought they had rung in an extra Irishman on him.

But whoever was right about the scoring (and, after all, the three men whose opinions counted were unanimous) it was a good fight—good enough for a return in the opinion of the 15,295 who paid to see it.

INDUSTRIAL KEY UNITS SHOW GAINS

NEW YORK, July 13.—(AP)—A Wall Street Journal survey of industry and commerce, published today, showed substantial gains in a number of key groups, instead of the usual summer drab.

Mail order and chain stores were said to be doing 10 per cent better business than a year ago, department stores 3 per cent better.

Replacement tire sales were reported at a six-year peak, gasoline consumption at a new high level, and automobile sales picking up contra-seasonally.

Building materials and construction contracts were said to be on the increase, machine tool orders steadily increasing, copper production and sales, and chemical business all running higher.

Orders for electrical equipment were described as expanding, utility third quarter profits were predicted at 10 to 15 per cent above last year, steel operations about as well as could be expected.

Rail car loadings increases augmented continued high levels of traffic. It was said, and rail maintenance order were continuing satisfactorily.

Aircraft manufacturing is enjoying a spurt, and airlines traffic is holding up.

Textile activity improved in the cotton division and was maintained in the wool and rayon manufactures, the survey concluded.

Dance of Danger!

"The Senorita will dance with me," he said. "Is it not so?" and she waltzed away in his arms. As simple as that was her meeting with the man she had come 2000 miles to look back on that Mary Jordan was to look back on that night in the El Casino as a dance with danger, even death, in every step. It was incredible that she finished it all. What happened is told in a lightening-action serial of smuggling along Uncle Sam's southern boundary.
