CAMP FIRE GIRLS ENJOYING ANNUAL SUMMER CAMP

The annual summer two-week camp of Camp Fire Girls opened at the dinner hour Sunday evening with sixty-four girls answering roll-call.

Handcraft, nature lore, archery, camp craft and swimming are being enjoyed this year at the camp. On Monday evening the five girls from the Oakland Camp Fire group presented an original and delightful puppet show.

Tuesday evening a scavenger hunt was enjoyed, at which time the winning group received treats and the losing groups gave im-

prompt stunts around the large campfire.

Last evening, Mrs. Clair K. Allen, camp counselor, and Miss Barbara Kurtz, swimming instructor, took fifteen of the older Camp Fire girls on an over-night hike and cooked a tin-can breakfast this morning, before returning to camp. The group took "paucho" packs and carried their own supplies to the Forest camp, where they spent the night.

While the older girls enjoyed the over-night hike, the younger Camp Fire girls learned Indian dances around the campfire.

The public is most cordially invited to attend the camp at any time and will please call Mrs. G. C. Finlay, before leaving town. On Saturday night, July 22nd, and on Saturday, July 29th, special programs will be given at the camp, to which all parents and friends are invited to enjoy.
