With or Without Jacket, This Frock is Charming

By CAROL DAY

A woman's youthful style in pattern 8541, has just the combination of simplicity and softness that you crave in the summertime.

The dress, with high, fitted waistline and gracefully full skirt, is very flattering to the figure. Shimmering shoulders give a nice, round-shouldered look, and the short jacket is just the right length to minimize your hips.

Make this of georgette, chiffon, silk, crepe, linen or batiste, and you'll wear it with endless pleasure, both with and without the puff-sleeved coat. The slim frock, lined-sleeved, is pretty for informal suppers.

Pattern 8541 is designed for sizes 14, 16, 18, 20, 22 and 24. Size 16 requires 4 1/2 yards of 29-inch material for dress; with nap; 2 yards for jacket with short sleeves. Jacket with long sleeves requires 2 3/4 yards with nap. Dress without nap requires 3 1/2 yards.

The new SPRING AND SUMMER PATTERN BOOK, 32 pages of attractive designs for every size and every occasion is now ready. Photographs show dresses made from these patterns being worn; a feature you will enjoy. Let the charming designs in this new book help you in your sewing. One pattern and the new Spring and Summer Pattern Book—25 cents. Pattern or book alone—15 cents.
