Today's Pattern

8534

SMART SOPHISTICATION LIES IN THIS LARGE-SIZE FROCK

Especially designed for large women who want something gracious and sophisticated, yet possessing youthful chic, this dress, Pattern 8534 has lovely lines, and just the right touch of formality for afternoons.

The skirt is paneled, and has long, slim, unbroken lines. The bodice fits beautifully, being gathered onto the shoulder yoke to insure a nice bustline. It is trimmed with narrow revers that are just dressy enough without looking fussy.

Wear this to luncheons, bridge parties, and club meetings, in small-flamed silk prints, flat crepe, or about it, from the wide-shouldered sleeves (which always help you look slimmer) to the gradually flaring skirt.

Pattern 8534 is designed for sizes 36, 38, 40, 42, 44, 46, 48, 50 and 52. Size 38 requires, with short sleeves, 4 1/2 yards of 39-inch material; with long sleeves, 4 7/8 yards.

The new SPRING AND SUMMER PATTERN BOOK, 32 pages of attractive designs for every size and every occasion is now ready. Photographs show dresses made from these patterns being worn; a feature you will enjoy. Let this charming design in this new book help you in your sewing. One pattern and the new Spring and Summer Pattern Book—25 cents. Pattern or book alone—15 cents.

Send your order to the News-Review, Pattern Department, Roseburg, Oregon.
