edge will be worth everything in the world to him—worth immensely more in the long run than the \$2,000.

Honesty isn't just the BEST policy—it is the ONLY policy that can lead to worthwhile success.

THE grasping owner of the \$2,000 was feeling pretty good over the whole transaction until the story GOT INTO THE PAPERS.

So many things, you know, are quite all right as long as the public doesn't find out about them.

Sugar Produced From Dahlia Bulbs

KIRKSVILLE, Mo. (AP)—Dr. Wray Rieger of Kirksville Teachers College has developed a method of producing sugar from dahlia bulbs...

"American dahlias will produce sugar twice as sweet as cane or beet sugar and no more expensive," he says.

He converts insulin, a starch like substance in dahlia tubers, into levulose syrup from which the sugar is made.

HAMS BEAT GUARD. ELKS TAKE GROCERS

In a doubleheader City Softball League game played last night, Boucoek's Hams completely annihilated the National Guard team...

In routing the Soldiers, Boucoek's aggression poured it on from the opening volley, scoring in every inning but the fifth, and putting into high in the sixth when they tallied 11 times.

The Grocersmen to five bingles, striking out 10 and walking none. He was backed in the field on a defensive move. Poley held the heavy-hitting Elks to six hits, but his own wildness—issuing seven free trips to first—contributed to his downfall.

Daily Devotions

DR. CHARLES A. EDWARDS

"I hear in my body the marks of Jesus." Gal. 6:17. Scars? How significant they are! Every scar tells its story.

My pants side was charged, when I withdrew To seek a tranquil death in distant shades;

There I was found by one who had himself Been hurt by the archer. In His side He bore.

And in His hands and feet, the cruel scars. With gentle force soliciting the scars.

He drew them forth and healed and bade me live. Amen.

PIRATES OBTAIN LARGEST PLAYER

PITTSBURGH, Aug. 1.—(AP)—Keeping one eye on the fast-moving Cincinnati Reds and another on 1940, the Pirates today bet four players and a sizeable bundle of cash the "biggest man in baseball" would prop up their injury-riddled pitching staff.

President Benavenger and Manager Traynor have annexed the services of John A. Gee, Jr., 23-year-old southpaw who towers nine inches above the six-foot altitude and tips the scales at 215 pounds.

The giant finger has been setting the international league ablaze by his brilliant performance with the Syracuse club. He won 17 games and lost 11 last year in his first full campaign since leaving the University of Michigan. His record for 1939 is much more imposing with 16 victories, four defeats, 96 strikeouts.

The Giants, Cubs, Yankees, Reds and Senators were understood to be on the bidder's trail but Benavenger's bid proved the most attractive. Cash in the deal reportedly runs well into five figures. The four players kicked in are for delivery next spring and will not be named till then. Gee joins the Bucs September 10, unless Syracuse winds up in the International play-off series.
