LENORE ADAMS RECEIVES RECOGNITION FOR POEM

One of Roseburg's local poets, Miss Lenore Adams, has received recognition recently with her poem entitled, "Beauty," which appeared in the Oregon Journal several months ago and was chosen for publication in the Poetry Digest Annual Anthology of Verse, 1939 edition, which is the official and recognized poetry annual among the representative writers of the United States and Canada.

The annual contains the latest of Edna St. Vincent Millay, Lewis Venturmer, Grace K. Crowley, Margaret Widdemer and many other prominent American and English poets including several Pulitzer prize winners.

RANGER SUIT FOR YOUNG "WESTERNERS"

By CAROL DAY

Hi-ho, mothers of lively boys! We've got him! The Texas Ranger, complete from hat to lariat, in a colored transfer pattern that's easy to imprint on the bib or pocket of this comfortable overall!

The overall is cut on common sense lines so that it's as easy to wear as nothing at all, and is fast for tree-climbing, ball-playing and general razzing around. Equally correct and practical in the short-sleeved play shirt. But of course, if there's a two-to-eight in your family, the Ranger decoration will dwarf all other virtues of Pattern 8544 in his eyes.

Denim, gabardine, broadcloth and galatea are good sturdy fabrics that can take it. In this case, being the wear and tear of hard play.

Pattern 8544 is designed for sizes 2, 4, 6 and 8 years. Size 4 requires 1 1/2 yards of 35-inch fabric for overall; 1 yard for shirt.

The new SPRING and SUMMER PATTERN BOOK, 32 pages of attractive designs for every size and every occasion is now ready. Photographs show dresses made from these patterns being worn; a feature you will enjoy. Let the charming designs in this new book help you in your sewing. One pattern and the new Spring and Summer Pattern Book—25 cents. Pattern or book alone—15 cents.

Send your order to the News-Review, Pattern Department, Roseburg, Oregon.
