Interesting study of distribution and its high cost, which has been made by the Twentieth Century Fund...

The average person unthinkingly jumps to the answer. The distributors are making too much profit.

But that isn't the answer, according to the fund's research experts. They found "little evidence that general high profits are being made in the field of distribution considered as a whole."

But for every outstanding success and profit-maker among distributive firms, they found many which barely break even...

In short, most of the consumer pays for the wholesale and retail processes goes for wages, salaries, rent, maintenance, heat, light, taxes and supplies.

The only conclusion that can be drawn from such a study is this: That if distribution of the things is costly and wasteful, so is their manufacture.

All these things must be paid for. And probably no great reduction can be made in the cost of distributing goods without reducing some of the luxury-type facilities...

EVENTS of the past decade have been such as to shake the faith of many people in progress. Because the world has gone back, aged in so many respects about the World War, people are tempted to believe progress has ended.

Yes, the world moves, and despite periods of backwards steps, it moves in the long run in the right direction.

WITH the forest fire season at its peak, it is the time to be careful. The youngest Boy Scout learns not to throw matches about or leave fires burning.

Almost all costly and dangerous forest and brush fires are caused by carelessness. Going on a vacation? Don't be the cause of such a fire!

Don't throw matches. Don't leave a fire unguarded, or leave it behind you without thoroughly putting it out.

REWARD FOR LEPKE RAISED TO \$30,000

NEW YORK, Aug. 8.—(AP)—Somewhere in hiding today is a middle-aged man with a \$30,000 price on his head.

He is Louis (Lepke) Buchalter, 42, a stocky, swarthy, big-nosed gangster—newest of the ever-shifting title, "Public Enemy No. 1."

J. Edgar Hoover, G-man chief whom men have hunted Lepke for two years, will pay \$5,000 for him.

District Attorney Thomas E. Dewey—thanks to action yesterday by the city board of estimate—has raised New York's ante to \$25,000.

Both Hoover and Dewey have promised to keep secret the name of the person who "puts the finger" on Lepke, and the reward will be paid whether the fugitive racketeer is held responsible by Dewey for the slaying of five associates since he jumped \$100,000 bail, is captured dead or alive.

The search for Lepke was just one angle of an assault against a national "confederacy of crime" undertaken by a federal grand jury impaneled yesterday by U. S. Attorney John T. Cahill.

Several business executives were named on the jury which prepared to begin immediate investigations of an \$80-million "Encyclopedia of Crime" prepared by the federal bureau of investigation. Hoover, FBI chief, is taking personal command of the investigative end of the "anti crime" drive.

William Peasley, 84, former resident of Roseburg, died in Roseburg last night, following a long period of illness. He was born in Malaga, Sept. 23, 1855, and had been a resident of Douglas county for more than 50 years.

Funeral services will be held at 2 p. m. Wednesday at the Douglas Funeral home.

The body of Marion J. Gregory, 46, who died Friday at the veterans hospital here, was sent last night to San Francisco, where interment will take place in the national veterans cemetery. The local arrangements were in charge of the Douglas Funeral home.

WHY MOTHERS GET GRAY

BENNETT TO FIGHT LAD WHO BEAT HIM

Light Heavyweight Dated For Bout With Rex Carey in Roseburg Aug. 16.

Rex Carey, sensational Canadian light heavyweight, has been signed to meet Dallas Bennett of La Grande, in a title bout at Roseburg Wednesday, August 16, according to word received here today from Pat Padelford and Harry Eagles, local matchmakers, who have been spending several days in Portland making arrangements for the forthcoming fight.

Curry is one of the few fighters who has beaten Bennett, and the La Grande boy has been trying ever since his defeat in his home town to secure a return match.

Considerable trouble was encountered in booking the fight, the matchmakers report, as Frank Smithers of Portland, manager of Curry, was not anxious for the fight, but agreed to sign for his fighter on the condition that Bennett would put his claim to the Oregon light heavyweight title at stake and that an outside referee be provided.

Curry has fought in Australia, Canada, Seattle, Portland, Boise, Tacoma, La Grande and other sport centers. He is 22 years of age and has lost only two fights during his career. He has beaten not only Bennett, but Jack Hibbard, Billy Pryor, Tiger Jenkins and other well known boys, and has won five battles in Portland during the past year.

He is reported to have a terrific left hook, as well as a good right hand wallop.

In the costs incurred in bringing Curry from Canada and the employment of an out-of-town referee, it will be necessary to increase admission prices slightly for the forthcoming battle, the matchmakers report, but they promise a fight well worth the charge.

The supporting card has not yet been arranged, as all energy has been bent to the task of lining up the headliner, but other bouts, it is stated, will be arranged within the next few days.

ELKS CLUB DOWNS

BOUCCOCK'S 3 TO 2

Hancock's Defeat Safeway; Both Games Decided in Final Innings.

Two seventh-inning rallies broke up a pair of softball games at Finlay field last night when the Elks club nipped Bouccock's Hans, 3 to 2, in the opener, and the Hancock Oilers downed Safeway, 19 to 9, in the nightcap.

In the first game, the Elks knocked the Bouccock aggregation out of a tie for second with the winners by pushing across the winning run in the last half of the seventh inning after the Hans had staged a rally of their own in the first half of the same inning to tie the score at 2-all.

A walk to Sid Dominico, an error by Hines on Hugh Whipple's bouncer, and a passed ball placed men on second and third with none away. Baughman's long sacrifice fly to left allowed Dominico to score the winning tally.

Both pitchers were stingy with their hits, Merritt allowing the losers but five and Ellison dishing up six to the winners. Five of the Elks' hits came in the first three innings. The Elks took an early 2-0 lead by tallying a lone run in both the second and third innings, the second one a long home-run by Robertson. Bouccock's tallied once in the sixth and their last in the seventh.

Oilers Win Weir Game. In the final game, the Oilers started the fireworks in the first half of the opening inning by chalk-ing up three runs on two walks, an error and two hits, only to fall to pieces in the last half of the same frame to allow Safeway to score six runs on five hits, three walks and an error. Despite the 3-run handicap, the Oilers kept pecking away at the margin, ending up with a 3-run rally in the final frame to take a 19-run lead then blanked the Groceries in the last chance.

Hal Hoyt, winning pitcher, had himself in hot water most of the game with his wildness, walking seven during the fray, but, outside of the first inning when 12 men faced him, was effective in the pinches. Posey, losing chucker, had difficulty in the opening two innings, but settled down and pitched good ball up to the fateful seventh.

Score: R. H. E. Hancock... 229 701 3-10-10 5 Safeway... 601 101 0-9-12 3

NEWCOMERS STAR IN MAJOR GAMES

By Bill White. Last night, in the National League's only game, the Brooklyn Dodgers sniped the Boston Bees 7-6 as Dixie Walker made his Brooklyn debut. He did it properly, singling in the tenth with two out to give the Dodgers another in their series of extra-long night battles.

The win proved it was true what they said about Dixie, put the Dodgers in fifth place, and gave Tomulis his fifth victory against four setbacks.

In the only other game played in the majors, another newcomer, Lou Boudreau, up from Buffalo, sparked the Cleveland Indians to a 6-5 win over the St. Louis Browns.

Though the game-winning blow was delivered by Dependable Roy Weatherly, Boudreau was the decisive hero, covering ground like a rainstorm and contributing two hits, one a triple.

HUTCHINSON FAILS TO IMPRESS BOSTON

BOSTON, Aug. 8.—(AP)—It may be a case of sour grapes, but the Boston Red Sox remain unimpressed with Freddy Hutchinson, the Detroit Tiger's \$50,000 rookie pitcher, who mowed them down with only six hits Sunday.

Passing a day off yesterday by talking shop, as usual, the Sox, who lead the American league in team batting, were loath to proclaim the coast star another Bob Feller or even a Johnny Vander Meer.

He doesn't look to me as if he was worth any \$50,000, commented Jimmy Foss, the league's leading hitter last year. "He doesn't have the fast-breaking curve or fast ball necessary to be the 20-game winner they hope he'll be. Naturally, we'll have to see more of him before passing final judgment, but at first hand, I'd say he wasn't impressive."

Clubowner Tom Yawkey said he "sort of felt I could have hit him myself. He didn't seem to have much except poise."

Manager Joe Cronin thought Hutchinson "looked like a pretty good hitter." (He made four hits in four times up.) And that "Pen-way park background helped him a lot."

On the Detroit side, Birdie Tebbets, who caught Hutchinson, was enthusiastic over his possibilities.

"He may be a year or perhaps two years away," said the receiver, "but he has a fine chance."

"I like his delivery, which is one of the best I've seen. He has control and a fairly good assortment of pitches. Hutchinson may be a standout before he's through."
