TEAR GAS USED IN WOOL PLANT STRIKE

SOUTH BARRE, Mass., Aug. 22.—(AP)—Sheriff's deputies discharged at least four tear gas shells and half a dozen gas grenades into a milling crowd in front of the struck Barre Wool Combining company plant today after a woman strike sympathizer smashed a window of an automobile carrying workers into the mill.

In the Railton Red Lion, Cobb protected his 24 sizzling cylinders with the same Lion Head Motor Oil sold by Gilmore dealers. Of course a special gasoline was required for the 2400 horsepower motor. And it's a tribute to Gilmore's quality that Cobb depended on Gilmore to prepare the world's fastest... just as you can depend on Gilmore for the best gasoline for your car. Get it with Red Lion... the very same gasoline Cobb used to break sensational stock car record in a Hudson!
